CLARINETISTS TO PRESENT SOLOS AT FREE BAND CONCERT

Municipal Program Will Be Presented At Chapel Monday Night

When the 121st Field Artillery band has the third of its series of concerts at Lawrence Memorial chapel at 8:20 Monday evening, M. J. Heyden and H. I. Smith, well known clarinetists will assist with the program. No admission is made for these concerts and the public is urged to attend.

The following is the program: March, "The Graham Grays" Skaggs Overture, "Opheus" Offenbach Selection, "The Spring Maid" Reinhardt Hungarian Fantasia Toland Selection, "Adèle" From the French Opera by Jean Briquet and Adolph Philipp, Arranged by Lampe United We Stand Arr by Hays Crome de La Crome Fantasia Toland A Spanish Festival by Doneressman Star Spangled Banner

WARNS AUTOISTS TO OBTAIN LICENSE

A formal warning has been issued by Wilbur F. Hogan, county motorcycle officer, against all automobilists driving without license.

"Yesterday I saw no fewer than 15 cars on the county roads without license," he said. "There also were a number of cars displaying only one license plate."

"I will give drivers until next week in which to correct these abuses. Thereafter, if drivers are not able to show at least a money order receipt for their license fee, arrests will follow."

HARRY HOEFFEL IS WINNER IN SPEECH CONTEST AT H. S.

Will Represent School In Extensive Contest At Lawrence College

Harry Hoeffel won first place in the extempore speaking finals at Appleton high school on Friday morning and will represent the school in the Lawrence college interscholastic contest on May 15. Alden Behnke and Maurice Lewis tied for second place and Miss Helen Diderich won fourth place.

Mr. Hoeffel spoke on "The Need for the Big Stick." The winner has had a great deal of experience in debate, oratory and public speaking as well as dramatics and is well fitted to represent the school in the contest. His fellow students are confident that he has a pretty good chance for a place in the Lawrence contest.

Alden Behnke spoke on "Bedlam Baked Loaf," Maurice Lewis on "The Experimental Spirit" and Miss Diderich on "Catie in America." The contest took place on Friday morning during the assembly period.

MAN'S LEG BROKEN BY BACKING AUTO

Theodore Wahl, 31, who lives at Rogers and Mason streets, suffered a broken leg in front of the General Auto shop, 755 Washington-st., at 9:55 Thursday evening when he was backed into by an automobile driven by R. Risse, an employee of the General Auto shop. Wahl was walking past the garage when the automobile backed out and plumed him between the legs. He was conveyed in the police ambulance to St. Elizabeth hospital where it was found that his leg was broken just above the ankle.

SPIED TODAY

"Making the 1 Spied Column" is one of the great indoor sports in Appleton and more and more people are getting into the game. But there still are hundreds of people who deliberately are throwing away good money by failing to report the interesting things that come to their attention. A pair of tickets to the Elite theatre, where excellent pictures are shown, are given for every item printed. Contributors should write their items carefully, including all essential details, so that there will be a "kick" in them. "The Women's Elite" is the attraction at the Elite on Friday and Saturday. Tickets should be called for immediately after the items appear in print.

DUMPED WAGON AND HORSE
Wednesday at 5 o'clock I saw one of Greenen's wagons in which ashes were being hauled get too near the edge of the dump and slip into the ravine. It was impossible to get wagon and horses out until one of the Greenen trucks was sent for and pulled it out. G. F. S.

WERNER HEARS FIRST VERDICT BY NEW LAW

Judge E. V. Werner and William Kreiss have just returned from Antigo where the judge tried several civil cases which resulted in a five-sixth verdict. A new law has recently made it possible for ten jurors to decide a civil case. The first case on the docket was decided with only 10 voting aye on the verdict.

DEATHS

SPIKER FUNERAL
Funeral services for Alois Spiker will be held at St. Joseph church at 9 o'clock Monday morning. Interment will be in St. Joseph cemetery.

Cars Derailed
Two freight cars left the rails in the First ward Thursday afternoon damaging about 20 feet of the track. Very little damage was done to the cars.

AT IT AGAIN
Tire thieves were busy during carnival week, as may be seen in the mishap of a certain Neenah party that parked its car Wednesday night on Calumet-st near Lake-st while attending the carnival just outside the city limits. When the occupants returned they saw to their dismay that the car had been stripped of every tire as well as the robes and tools. The spare tire and wheel in the rear had also been tampered with. It was necessary to send to a local garage for help. C. S. F.

FOUR HOME LOANS ARE APPROVED BY B. & L.

Four new homes will be added to Appleton's building total through approval of loans for their erection by Appleton Building & Loan association directors at the monthly meeting Thursday evening. Three other applications were referred back to the appraisal committee for further information. Applications presented to the board totaled \$37,500.

David Balliet has gone to Mansfield, Ohio, for an extended visit with his daughter, Mrs. Glen Campbell.

Alkali in Shampoos Bad For Washing Hair

Many soaps and prepared shampoos contain too much free alkali which is very injurious, as it dries the scalp and makes the hair brittle. The best thing to use is Mulsified coconut oil shampoo, for this is pure and entirely greaseless. It is very cheap and beats anything else all to pieces. You can get Mulsified at any drug store, and a few ounces will last the whole family for months. Two or three teaspoonfuls of Mulsified in a cup or glass with a little warm water is all that is required. Simply moisten the hair with water and rub the Mulsified coconut oil in. It makes an abundance of rich, creamy lather, cleanses thoroughly, and rinses out easily. The hair dries quickly and evenly, and is soft, fresh looking, bright, fluffy, wavy and easy to manage. Besides, it loosens and takes out every particle of dust, dirt and dandruff. Be sure your druggist gives you Mulsified. adv.

May or Of "Y" Invites Boys To His "Wedding"

The report of the coming wedding of Mayor Harold Finger of the boys division of the Y. M. C. A. was confirmed Thursday night by no less a personage than the mayor himself. The ceremony will take place Friday evening, May 16, and Mr. Finger has issued an invitation to every boy in Appleton to be at the Y. M. C. A. gymnasium that evening and share in the celebration.

No amount of questioning, however, could induce the mayor to reveal the name of the bride-to-be. He said the lady's name was familiar to many in the city, but he desired it kept a secret until the evening of the ceremony. The Reliable political party will have entire charge of the affair and members predict that it will be a glorious celebration. Boys who aided the mayor in his election last fall will act as ushers. In all probability an orchestra will be obtained for the occasion and a quartet also will assist. Following the ceremony a luncheon will be served to all the guests.

Miss Bernice Draeger is ill at St. Elizabeth hospital.

AMUNDSEN TO ADDRESS C. OF C. RURAL GROUP

The rural affairs committee of the Appleton Chamber of Commerce will meet in the committee room of the

How to Banish Piles

Thousands Bless Dr. Leonhardt, the Physician Who Discovered This Common Sense Remedy
If you think that the surgeon's knife is the only method of escape from the misery of piles, it's because you haven't heard of the new treatment known as Dr. Leonhardt's HEM-ROID.

The Doctor's treatment is internal. By experimenting for years he discovered the exact cause of piles and then went further and compounded a remedy that would remove the cause. Dr. Leonhardt wants every sufferer to benefit by his discovery and so that there will be no doubting or delay, Schintz Bros. Co., and all druggists are authorized to sell HEM-ROID with guarantee that it will do as stated or money back. On that honorable basis every sufferer should secure a package of Dr. Leonhardt's HEM-ROID today. adv.

I GASPED!

- As I watched the thrilling duel in the bell tower.
- As the revolution burst into flame before my eager eyes—
- As the barbaric revels of the fiestas swept across the screen—
- As men and women loved in blazing romances and clashed in bitter feuds—
- As seething and surging hundreds struggled before the historic mission walls.

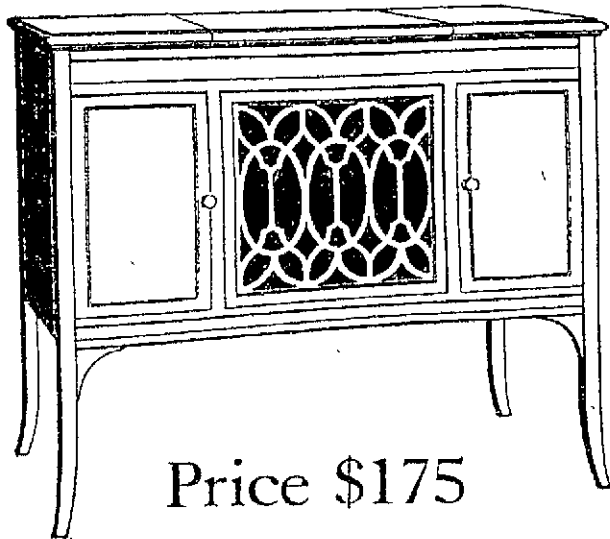

You'll gasp and you'll thrill and you'll want to get up on your chair and shriek to the heavens when brilliant

Mother's Day! No Gift More Fitting Than a "NEW EDISON" BABY CONSOLE

Price \$175

Every perfection that is found in the larger models of the New Edison group is incorporated in the Baby Console.

The latest improved devices made possible by Mr. Edison's \$3,000,000 laboratory research are encased in the beautiful cabinet of the Baby Console. Its artistic design and beautiful brown wax mahogany give it that pleasing appearance characteristic of antique furniture. Remember this:

The New Edison is the only phonograph that dares the test of direct comparison with the living artists. No talking-machine—no matter what its name or make—could sustain such a test—and therefore never will submit to the test. Over 4,000 public tone-tests with the New Edison have proven that.

"COMPARISON WITH THE LIVING ARTIST REVEALS NO DIFFERENCE. Come in and hear at

If Ruptured Try This Free

Apply it to Any Rupture. Old or Recent, Large or Small and You are on the Road That Has Convinced Thousands.

Sent Free to Prove This

Anyone ruptured, man, woman or child, should write at once to W. S. Rice, 520 E. Main-st., Adams, N. Y., for a free trial of his wonderful stimulating application. Just put it on the rupture and the muscles begin to tighten; they begin to bind together so that the opening closes naturally and the need of a support or truss or appliance is then done away with. Don't neglect to send for this free trial. Even if your rupture doesn't bother you what is the use of wearing supports all your life? Why suffer this nuisance? Why run the risk of gangrene and such dangers from a small and innocent little rupture, the kind that has thrown thousands on the operating table? A host of men and women are daily running such risk just because their ruptures do not hurt nor prevent them from getting around. Write at once for this free trial, as it is certainly a wonderful thing and has aided in the cure of ruptures that were as big as a man's two fists. Try and write at once, using the coupon below.

Free for Rupture

Y.M.C.A. STARTS CONSTRUCTION OF \$40,000 ADDITION

18 DORMITORIES AND MORE MEETING ROOMS PROVIDED

Greunke Brothers Get General Contract And Have Begun Work

Appleton Y. M. C. A. not only has decided to build its addition this year to provide additional dormitories, but was awarded the contract and has the work under way. This was decided by the board of directors despite the need of \$5,700 to complete the \$40,000 appropriation for this work.

The general contract for the addition has been awarded to Greunke Bros., who have started work. The carpenter work was awarded to Fraser Lumber & Manufacturing company; the electrical work to Langstadt-Meyer company; and the plumbing and heating contract to W. S. Patterson & Co. All the contractors were the builders of the main building erected nearly ten years ago. The addition is to be built above the swimming pool and will fill out the west elevation of the building. It will give 18 additional dormitory rooms making a total of 54 rooms. It will give also two additional clubrooms for older boys' work and an additional handball court large enough for 4-man handball. This will leave the present assembly room free for the use of men and for public use. The addition will be fireproof and will harmonize with the present structure. While the \$40,000 needed for the new unit has not been raised entirely, the board of directors decided it was advisable to go ahead with construction work and finish the still hunt after work has been commenced. The amount still needed is \$5,700.

H. S. STUDENTS HEAR TWO LOCAL SPEAKERS

Students in the democracy classes at Appleton high school have had two speakers on important subjects in the past week. Mark Catlin talked to the students on what is being done in the way of conservation in the state of Wisconsin. George N. Danielson, United States naturalization examiner, talked on the new status of foreign and native born women under the 1919 law and its relation to naturalization.

Baptist Food Sale, Sat. A. M.

Belling's Drug Store.

WANTS EVEN BREAK FOR FISHING FARMER

Several material changes will be made in the fish and game laws of Wisconsin, according to Newton Spoor, chairman of the assembly committee in charge. Spoor is an advocate of the farmer sportsman as against the encroachment of city rod and gun clubs, and declares he has tried to give the farmer who lives closest to the natural hunting and fishing grounds at least an even break.

A new rule has been made about undersized fish. After this all fish a sportsman catches are his, on the theory that a fish thrown back into the stream dies anyway. Under this rule the bag limit of the fisherman is reached more quickly.

An open season has been declared for trout. Sportsmen declare that the trout has become quite numerous in some sections of the state, due to its former protection.

The chicken and portridge season now includes one Sunday. On the last day, but on no other, a hunter can take home a bag limit of ten birds.

May 15 will be the open season for all game fish except bass and sturgeon and trout. The trout season opened May 1. A license fee for all outdoors, including men and women is \$3. Trolling from a motor boat when the engine is going, or from a boat in tow, is forbidden.

HALL SURE OF \$5,000 A YEAR STATE POSITION

Elmer S. Hall, former secretary of state, and a candidate for Republican nomination for congressman from the Ninth district last fall, is stated to become the conservation commissioner of Wisconsin in a few days. Governor Daine recently signed the Smith bill providing for a one man conservation commission and Hall has been promised the \$5,000 plum.

Mr. Hall will step into the new job for a six year term. The commission formerly was headed by three commissioners drawing a salary of \$3,500 a year. The other two commissioners will be retained as employees at their present salary while an increase of \$1,500 a year is granted the new head of the department.

The commissioner will direct the conservation activity of the state, including its warden force, and will be in connection with the arrest of sturgeon fishermen.

WINNINGER COMPANY CLOSES ITS SEASON

John Winniger's theatrical company disbanded at Winona, Minn., for the summer season. Mr. Winniger returning to his home at Waupun. The heavy closed motor truck used in conveying the company's property about the country was brought to Appleton by its driver, William Carlson and will be used by him until it is again called into service. Mr. Carlson has been with Mr. Winniger seven years and during that time has traveled all over the country. The company will be reorganized in August either at Appleton or Neenah.

Child Work Is Shown At Washington School

When parents of children in the Washington school visited the rooms Thursday afternoon in which their children are taught, many of them were agreeably surprised at the splendor of the work which their children have been doing. The features of the visiting day were not especially prepared programs but just demonstrations of the sort of work which the children do in each grade from day to day. A similar visiting day will be held Tuesday in Third ward school.

Each room was made gay with the work in fresh and cutting and in drawing done by the children. In some rooms, booklets have been made for the mothers; in others lovely pots and bowls of flowers were the most interesting things. The idea of the visiting day was not to get all spick and span for inspection but just to show the parents what the children have done and are doing.

In the home economics work, the girls in the upper grades showed exceptional ability. Many dresses, aprons, blouses, underclothes, luncheon sets and all sorts of needle work were displayed. Some of the children have made hats, some have made lamp shades and others have made baskets.

The manual training articles made by the boys was also displayed and showed excellent work. Sand tables and projects proved of great interest to many of the parents. The variety of projects was great. One grade had a garden planted in its table while another was waiting for grass to grow in its table in preparation to doing a sunny southland project. In still another room was all the snow and ice of Alaska. A complete grocery store was in another room and it also had a Maypole dance in its sand table. In the kindergarten was a complete municipality which began with the erection of its library, the place where the children keep their books.

Improve Roads

The combination trains on the Appleton-Hilbert branch of the Chicago, Milwaukee & St. Paul railway will be equipped with dynamo so as to provide electric lights for the passenger coaches. Larger coaches were added to the trains on the branch this week to take the place of the older ones.

Dye Well

Makeup of Dyestuffs Is Taught Pupils in Miss Saecker's High School Chemistry Class as Part of Practical Training for Use in Later Life.

When Jane who is now in the chemistry class of Appleton high school comes to the place in life where it becomes expedient to dye last year's dress in order to make it just like new, she will know more about the dyeing process than the directions given on the package of commercial dye tell. Even John will be able to assist in the process with more intelligence than by the average husband displays when dyeing of dress goods is the order since the principles of dyeing have been demonstrated in the chemistry classes during the year.

Various kinds of commercial dye were used in the demonstration which showed that each dye will have a different effect on materials of different texture. Ways of setting dye, of making it more or less intense and of making the color more even were included in the demonstration. Wool yarns, cotton cloth and silk pieces were used by the students and the variety of hues produced a veritable rainbow effect. Samples of the materials were used by each student in writing up the experiment.

BEG PARDON

Henry Glass says he was not in an automobile when he was struck by another car at the corner of Oneida and Washington streets. He says he was walking across the street with the principles of dyeing have been demonstrated in the chemistry classes during the year.

COUNTY ASYLUM HAS 182 INMATES

Outgum-co insane asylum has 182 inmates at present which is within one of the greatest number the institution has ever cared for at one time. According to Thomas Flanagan, superintendent, all the state and county hospitals and asylums in this part of the state are crowded, particularly the Northern hospital at Winnebago and the county asylums of Brown and Shawano counties.

Womans Club Dance Tuesday, May 15th, Armory. Meliorimba Society Orchestra.

BEEES MAKE RECORD AS FAST HONEY PRODUCERS

The bees owned by Mr. and Mrs. Christ Fetting, who live near Mackville, have been busy bees. One unusually active swarm has already filled an entire box having a capacity of 24 sections less than three weeks work on the part of the bees that have been gathering from the tree blossoms. The honey is white and of a high quality. This is the first time since the Fetting have been keeping bees that any swarm has done such fast work. Other swarms on the Fetting farm are also doing well.

Will Judge Contest
Leon C. High and H. H. Helbl, teachers in Appleton high school, will be judges at the district oratorical contest in Green Bay on Friday evening. The contest will take place in the East division high school building.

Motorists Here Enjoy America's Best Gasoline

Wadham's True Gasoline

— gives "solid" advantages that appeal as strongly to practical-minded owners as to those seeking the limit of motor luxury. Wadham's True Gasoline conserves motor welfare in these three important ways.

Its freedom from kerosene means protection of your lubricating oil from dilution through drippage of raw motor fuel.

It contains no free carbon to jam valves, scratch cylinder walls and steal power.

Its hair-trigger expansiveness and ready explosiveness insure instant firing, full power strokes, and elimination of the racking impulses of coarse fuel.

Its constant use is the soundest economy. Look for the Wadham's sign wherever you drive.

LESS COSTLY PRODUCTION
Perhaps the most serious difficulty in the existing industrial system is the lack of regular operation in many forms of production. It may not be possible to prevent occasional business depressions. But periods of idleness and part operation are too much of a regular thing with many concerns and industries. Any business running on such a basis is producing at a higher expense than would be necessary if it could stabilize its operations.

Periods of unemployment create labor unrest. If wage earners find that they must lie idle some weeks or months each year, they demand rates of pay sufficient to support them when they have no work. This adds to the price of their products and services.

Irregular operation of the industries is partly due to unavoidable weather and seasonal conditions. Yet is is exaggerated by the habits of the people. The tendency of the public to do things all at one time and buy from hand to mouth tends to make business run by fits and starts.

Much more coal, for instance, could just as well be bought in the spring, which would help make production costs lower. The building industry could be made more efficient in many sections, if more people would have repair and improvement work done in the winter, which would be perfectly practical on many jobs.

The tendency of the public to insist on the latest styles of clothing has some tendency to make production irregular. It must lead merchants to delay purchases, as if they buy too long ahead, their goods may go out of style.

More regular purchases on the part of the public can be promoted by offering special prices to those who buy out of season. Retail stores do a lot to promote that tendency by advertising bargain sales at off seasons. If ways could be found to make the stream of trade run more regularly, the American industrial machine could work more efficiently and deliver its products for lower costs.

THE POINT OF VIEW FOR SUCCESS

Mr. David Lloyd George, former premier of Great Britain, discussed in a recent address the essentials for success in politics. As he is reputed generally to be the greatest opportunist who ever held public office anywhere, his conclusions necessarily must be of some practical value.

"What is the test of success in politics," he asks. "Office, position, or decorations? No. The only test of high success in political life is service. In office or out of office, your motto should be not 'I get on,' but 'I serve.' And consider this brief interpretation of this advice: 'Do not play a selfish game. Do not calculate too closely whether, from your personal point of view, a job is worth doing. Do not always be reckoning the attractiveness of a duty by the amount of publicity it brings you. If you always weigh effort from the point of view of advertising value, you will soon find that the general public will in the end discover what is only advertisement.'"

The commonest faults of men in business and the professions are those against which Mr. George cautions. Too many of the ambitious emphasize fame and

wealth to the subordination of duty. All of their calculations are selfish and are centered on the objectives. Strictly speaking, reward is no more than an incident. Its importance is exaggerated because it is the symbol of success. Yet, some of the worthiest successes produce no reward whatever. Success is determined, as Mr. Lloyd George implies, by doing the work conscientiously and well, by serving, rather than seeking.

GUN CARRYING

The revolver is the badge of the American, in the opinion of City Magistrate McAdoo of New York, who forces the day when the "bride will go to the altar with a gun strapped to her side." If something is not promptly done to rigorously curb the use of firearms. The entire country, the magistrate continues, is getting into an "unenviable situation," and he sounds a warning against "chivalrous jurors" who fall for a tale of love.

Mr. McAdoo is not distorting the facts when he says that we are a gun-carrying nation. The sale and distribution of firearms in America, police repeatedly have asserted during their efforts to alter the present gun laws, is greater than in any other country. Murders are daily occurrences, and hold-ups, with the death threat, no longer are news headlines. In declaring that we face an "unenviable situation," Mr. McAdoo knows whereof he speaks, and he bases his assertion upon a close observation of one of this country's major evils. It is time, high time, to put a stop to gun-toting.

ENGLISH VIEW OF WORLD COMMERCE

British statesmen seem to have come to the viewpoint relative to trade increase and expansion which most American legislators and business men have not yet found. Sir Philip Lloyd-Graeme stated that it would not be sufficient, in order to assure permanent maximum employment, to restore the old markets; it is necessary to add new markets. Production is potentially if not actually greater than in 1913, he continued, and greater demand must be created absorbing the larger output.

The plan suggested is to arrange with colonies and protectorates for preferential trading understandings and to supply colonies and protectorates with capital to develop resources. It was explained that dealing with the United States is difficult because of the impossibility of securing financial adjustments.

The significance is that Great Britain is to make vigorous efforts to gain supremacy in international trade. The government has hit on the most modern idea of big business, which is that business is so much bigger than ever that trade territory must be bigger and markets more numerous.

This theory, which seems to correspond with conditions affecting production, is worth keeping in mind. The airplane and the radio, as means of transportation and communication, tend to strengthen the opinion that all nations of the world are to be on the most favorable commercial terms.

PLAYING THE HEALTH GAME

A new national game that promises to take its place with baseball in the bid for popularity has been originated and introduced in the schools of this country. It is called "The Game of Health," and one of the advantages it offers is that anybody can play it, even the cripple. Its object is to build up the bodily strength of the boys and girls of America and prepare them for useful lives as leaders of the new generation.

Dry text books on hygiene and lengthy lectures by learned men and women have failed to impress the doctrine of health upon the youth of the land. Their attention could not be held by such methods of instruction and it was distinctly up to those who would safeguard them to devise a more attractive system of teaching. Hence, the "Health Game," which in no way minimizes the importance of sound information, but arouses interest in new and effective ways.

For example, the average small boy would be unimpressed if he were told he should drink milk because of its nutritive qualities, but just let him see that it is making the puny child of the school fatter and rosier and may make him into a husky and perhaps football on his college eleven or even as great a ball player as Babe Ruth and the chances are that he will become a milk addict.

Surely this is a game worth while, when we consider that millions of American school children through playing it may gain in vigor to the nation's benefit.

Health Talks
BY WILLIAM BRADY, M. D.
Noted Physician and Author
Dr. Brady will answer all signed letters pertaining to health. Writers' names will never be printed. Only inquiries of general interest are answered in this column, but all letters will be answered by mail if written in ink and a stamped, self-addressed envelope is enclosed. Requests for diagnosis or treatment of individual cases cannot be considered. Address Dr. William Brady, in care of this paper.

RAW, PASTERIZED OR STERILIZED

Certified milk is the purest, safest, cleanest and by all odds the best milk for infant feeding when it is available and the family can afford its higher cost. Certified milk is raw, fresh milk produced and handled under the strictest cleanliness and rigid precautions to insure not only that the cows are healthy and free from disease, but also the milkers and handlers are free from disease. Certified milk is the only grade of raw milk which may be considered safe for infants in large cities. In smaller towns where the milk is delivered to the home within a few hours after milking, the raw milk may be safe for infant feeding if the cow or cows have had tuberculosis tested. I am unable to assign any specific reasons, but I have a strong conviction that raw milk is always preferable for infants and children when their diet consists chiefly of milk.

Pasteurization means warming or heating the milk up to 140 degrees F., holding at that temperature 20 minutes, and immediately cooling again. This if properly carried out, destroys practically any disease germ in the milk. But it also impairs the vitamin content, renders the milk less valuable for the prevention of scurvy, destroys most of the natural lactic bacilli and thus prevents natural souring of the milk. Because the milk does not sour a mother is apt to imagine it has undergone no decomposition, whereas the possible dangers from putrefaction or decomposition are even greater when the lactic bacilli are destroyed. Yet pasteurization is the lesser of evils when it is necessary to choose between a raw and probably unsafe market milk and a half cooked but safer product. Pasteurization is a compromise. It is cheaper and easier to destroy the germs in the milk by heating than it is to keep them out of the milk by such methods as are used in producing and marketing certified milk. Even pasteurization will not make dirty milk entirely safe for a baby.

Milk may be sterilized, practically, by boiling for five minutes. Many disease producing germs may multiply in milk without giving any evidence of their presence. Boiling destroys the germs, but not necessarily their poisonous products. Boiling does not make milk more difficult for a baby to digest; in fact it seems to make the milk easier to digest, for it makes the casein precipitate in finer curds in the stomach. It is well to boil the milk even though it be certified or pasteurized milk, however, the baby has diarrhea in the summer months. If the milk is boiled as a regular practice over many weeks or months, it is essential to feed certain things to make up for the vitamins which boiling destroys or reduces. For this purpose cod liver oil is ideal, with orange juice a close rival. A baby fed with boiled milk shows a tendency toward constipation, because boiling makes the milk more completely digestible and hence there is less residue left to stimulate bowel movement. This requires some cereal gruel or other addition of a carbohydrate class.

Raw milk is best if pure. A second choice, boiling the milk at home is probably preferable to pasteurization. If vitamin containing items are added to the infant's diet, there is no objection in feeding boiled milk indefinitely; it is probably a little safer than pasteurized milk.

QUESTIONS AND ANSWERS

Paper Dropped In The Puddle
Any risk in handling a bundle of newspapers which have been accidentally dropped in a puddle of muddy water at the curb?—T. A. C.

Answer—Less than is involved in handling a transfer accidentally licked by the conductor or a dime a passenger has held in her mouth while closing her purse or a theater program an usher has dabbed with a well licked thumb or a restaurant menu card passed from patron to patron or a treasury note which has been handled by goodness knows whom. But none of these risks need worry one particularly if one has the habit of personal asepsis and the means or opportunity of washing the hands.

Iodine For First Aid

Does an application of tincture of iodine immediately to a cut or skinned place make it immune from infection?—N. C. W.

Answer—No, but there is probably no better first aid medicament for the purpose.

Safety First

Why does pie taste better when eaten from the hand as at a picnic than when eaten as served at the table?—C. D. W.

Answer—I don't know.

LOOKING BACKWARD

TWENTY-FIVE YEARS AGO
Friday, May 13, 1898

Joseph E. Thomas of Neenah was calling on Appleton friends.

The city assessors were busy making their annual rounds.

Jack Hoeffer of Mankato, Minn., visited relatives and friends here.

Lieut. Edgar of Kaukauna, a former first lieutenant of Company G, 25th Wisconsin Infantry, was at Kaukauna which he was drilling recently.

John Stier moved his stock of cigars and tobacco from his former quarters opposite the postoffice on Oneida-st to his new store at the corner of Walnut and Lawrence-sts.

All the paper manufacturers of Neenah and Menasha entered an agreement to close their offices at 3 o'clock Saturday afternoon.

S. and H. Lepola shipped a carload of fattened cattle to Green Bay that averaged 1400 pounds per head.

John Lappen died at his home on Atlantic-st after a prolonged illness.

The steamer Evalyn owned by the Crawford & McKenzie company, was undergoing repairs at the company's dock at Oshkosh.

During the absence of Capt. A. M. Fuller, military instructor at Lawrence university, Cadet Captain Bert Fride who had been promoted to cadet major, was to have charge of military affairs at the university.

The latest reports were to the effect that the Fox River Valley Electric company was to operate its cars before the opening of the Grand Army encampment the latter part of the month.

TEN YEARS AGO
Friday, May 9, 1913

William Conlon of Wilcox, county highway superintendent was an Appleton visitor.

Dr. C. E. Ryan, Joseph I. Plank and Judge Thomas H. Ryan, district deputy, were selected as delegates to the state convention at Oshkosh May 13 and 14 at a meeting of the Knights of Columbus.

John J. Boggs of St. Louis, was in Appleton on a monthly business trip.

Mrs. Charles Brade left for Marinette for a few weeks' visit with friends.

S. C. Shannon returned from San Antonio, Tex., where he has been for several months for his health.

H. L. Terry, state superintendent of schools, and Prof. Paul G. Kelly, principal of the high school, a class of 59 students, 50 to graduate from Appleton high school.

Miss Frankie Bailey returned from an extended visit in the south.

WHAT'S GOING ON IN THE WORLD
Week's Events Briefly Told

BY CHARLES P. STEWART
German has offered France 30 billions of gold marks.

This is on the condition that France quits the Ruhr.

Thirty billions in marks is about 7 1/2 billions in dollars. It's a bit less than one-third the allies original claim. Certain payments in goods are offered too, but the money's the main thing.

To pay the 30 billions Germany proposes to take eight years.

She aims to raise the money by issuing bonds, for sale abroad.

If France wants more, Germany, suggests a board, consisting of financiers from the leading countries, to decide how much she can pay. This was Secretary of State Hughes' plan.

Germany recalls that France wants security against future attack. She offers it, by agreeing to arbitrate disputes.

WHAT FRANCE WANTS

France turns down the German offer.

She says it isn't enough. She demands what she calls an "appropriate sum." She intends to decide for herself what's "appropriate," not leave it to an international board.

Before she'll talk at all she insists on abandonment of Germany's "passive resistance" in the Ruhr.

But the German proposals may yet serve as basis for negotiations.

THOUSANDS OF YEARS

Foreign observers of the Franco-German situation continue gloomy.

Maj. Gen. Allen who commanded the American troops at Coblenz, says there's been trouble in the Ruhr for 2,000 years; probably will be for 2,000 more.

He thinks maybe France has lost as much by the Ruhr occupation already as the total amount of her original claim against Germany.

He adds that nobody can tell how long the occupation will last, regardless of settlement talk.

READY TO FIGHT

Negotiations at Lausanne between Turkey and the powers threaten to break up in a row. The dispute's over foreigner's rights in Turkish courts.

France especially fears trouble with the Turks. She's sending reinforcements to her troops in Syria. This particular difficulty relates in part to concessions the Turkish government aims to take away from French interests to give them to the American syndicate which Admiral Chester heads.

NEW BRITISH PREMIER?

Premier Bonar Law of England, pretty sick has gone on an ocean cruise.

Many politicians think he'll return only to resign.

But this won't mean the Conservatives' retirement in favor of a Labor cabinet. It would, if Bonar Law had to resign on account of a majority against him in Parliament; resignation on account of bad health is different.

Bonar Law simply will turn over his job to another Conservative.

WHAT ARE YOU DOING WITH YOUR CONGRESSMAN WHILE HE'S HOME THIS SUMMER?

IF I WAS RUNNING THE GOVERNMENT I'D TELL THE WORLD HOW TO DO A THING OR TWO

DO YOU JUST DO NOTHING AT ALL, AS THOUGH YOU AND HE AND THE U. S. A. HAD NOTHING IN COMMON?

DO YOU AND THE NEIGHBORS EVER TRY GETTING ACQUAINTED WITH HIM AND TALKING OVER YOUR PROBLEMS?

OR DO YOU JUST LET HIM GET HIS VIEWS FROM YOUR SELF-APPOINTED POLITICAL GUARDIANS AND BOSSES—

THE PEOPLE BE BLOWN. IT'S WHAT GETS OUT THE VOTE AINT IT?

DON'T FORGET WHO ELECTED YOU

AND THEN KICK THE DAYLIGHTS OUT OF HIM NEXT ELECTION BECAUSE HE VOTED CONTRARY TO YOUR CONVICTIONS?

If your chief concern tomorrow is Value--- the right concern is Schmidt's

We don't ask you to judge us tomorrow by our own words today—but we do say this:

If your aim is value— Satisfaction—Good Merchandise—at a fair low price—and if there is any other store in the running—they must be back of us—how far—we haven't had time to look back and see!

Campus Togs \$25c to \$50
Eagle Shirts \$2 to \$6
Vassar Union Suits \$2 to \$5
Trimble Hats \$5 to \$7

MATT SCHMIDT & SON
TWO FLOORS OF GOOD THINGS TO WEAR

try and silently put an end to all that sort of stock.

It is ravenous, non-productive, unsightly and brands an otherwise fair region as the home of squalor and poverty and discouraging unenterprising.

You could draw a correct chart of cow anatomy by looking at those miserable, starved creatures existing on palmetto shoots and mangrove bushes or something just as edible and fattening. Even their faces were watched and depressing to look at.

A good cow would eat no more than one of those cows if both had their choice. A good cow would give more milk and more butterfat on the same amount of provender.

Good hogs could be larger and meatier on the same amount of forage those snouty things get.

A large, luscious prize awaits the person who can either answer the question: "Why is scrub stock?" or get rid of the supply in this country.

American "specialist" musicians receive as much as \$300 a week for playing in the most popular London dance orchestras.

Modern coal mines, with a production of up to 5000 tons a day, may be four or five miles apart.

Q. Who is the governor of Alaska?
W. V.

A. Scott C. Bone holds that office.

Q. What is the Ivory Cross?
P.

A. The Ivory Cross is an organization founded by Miss Ada, Elizabeth Fletcher during the late war for the purpose of aiding in the dental care of discharged service men of the English forces, and, since the war has continued its work and embraced in its scope free dental care of worthy civilians. This organization sells pictures of St. Apollonia, also a booklet giving his history. The funds go to pay for the care of worthy poor.

Q. How much more soap does it take to wash things in hard water?
G. L. C.

A. It depends upon the degree of hardness. A general statement is that it takes four to eight times as much soap to make a satisfactory cleansing lather when hard water is used than when soft water is available.

Q. What is the origin of the phrase "Fourth Estate" as applied to newspaperdom?
R. G. T.

A. The expression "The Fourth Estate" is a name humorously given in recent times to the newspaper press, or the body of journalists as constituting a power in the state distinct from that of the three political orders. The clergy, nobles and commons composed the other three estates.

Q. How did Canada get its name?
N.

A. The name "Canada" is derived from the Iroquois Indian word "Kanada" meaning "a cabin." The name "Canada" began to find place on the map soon after Cartier's voyages. It appears from his "Pref Recit" to have been applied by the Indians to the Iroquois or district extending from the mouth of the St. Lawrence to the kingdom of Ochelary, north of Stadacona. The name was first used officially when Francis I commissioned de Roberval, a friend of Cartier, as "Lord of Noirebun, Viceroy and Lieutenant-General in Canada" in 1540.

Q. What is the difference between a lake and an inland sea?
A. T.

A. These names are both given to a body of the family Conchellidae.

Q. How are lakes formed?
C. D.

A. There are three kinds of lakes. Original consequent lakes are the result of irregularities of the land, as some of the shallow lakes of Florida. Lakes of normal development are those formed by interference of drainage in rivers. Tulare Lake in California is an example of this. The third class of lakes is that which includes those of accidental origin. Lake Geneva, Switzerland, belongs to this class.

Q. What is meant by the dots or marks under the author's name in library books?
J. T. S.

A. In compliance with a rule of the American Library Association, this mark is placed under the name to indicate that the name of the author of the book has been verified.

Q. What is a plant that makes it green?
I. M. C.

A. The mesophyll cells contain the green color bodies known as chloroplasts.

Q. Does the soldier carrying the guidon in the artillery have a special rank?
C. H. H.

A. The soldier carrying the guidon is usually a first class private and wears only the insignia of his rank. There is no special insignia for the guidon bearer.

Q. Who or what were the "ladies of bell"?
A. M. P.

A. During the world war the Germans called the Scottish Highland regiments "Ladies From Hell."

Q. Need a flowering maple be watered every day?
L. C.

A. The Department of Agriculture says that twice a week is usually often enough.

The Question Box

(Any reader can get the answer to any question by writing The Appleton Post-Crescent Information Bureau, Frederick J. Haskin, Director, Washington, D. C. This offer applies strictly to information. The Bureau cannot give advice on legal, medical and financial matters. It does not attempt to settle domestic troubles, nor to undertake exhaustive research on any subject. Write your question plainly and briefly. Give full name and address and enclose two cents in stamps for return postage. All replies are sent direct to the inquirer.)

Q. Who is the governor of Alaska?
W. V.

A. Scott C. Bone holds that office.

Q. What is the Ivory Cross?
P.

A. The Ivory Cross is an organization founded by Miss Ada, Elizabeth Fletcher during the late war for the purpose of aiding in the dental care of discharged service men of the English forces, and, since the war has continued its work and embraced in its scope free dental care of worthy civilians. This organization sells pictures of St. Apollonia, also a booklet giving his history. The funds go to pay for the care of worthy poor.

Reader With Welsh Group Holds Fame

Dinevor Company Will Present Program At Methodist Church Saturday

Eben Rogers, a native of Cardiff, Wales who has proved himself one of the greatest elocutionists in his country will appear with the Dinevor Welsh concert company in First Methodist church at 8 o'clock Saturday evening. Among his selections which will be given in Appleton is the famous Scene 1, Act III of Shakespeare's "Merchant of Venice" which he is said to give with rare dramatic power. He will also give "The Raven," by Poe another selection which has secured much fame for him.

Mr. Rogers is gifted with a fine presence and critics declare him the possessor of a wonderful voice with ability to range at will with equal facility from grave to gay, and from lively to severe. He is the winner of many prizes for English recitation and is the holder of six national prizes.

The following numbers will be presented:

"Jesus Lover of My Soul" (Old Welsh Tune) Aberystwyth Company

"It Was Thou, the Destroyer" Verde "Pilot" Dan Protheroe

"Gwyllyn Jones, Bartone

"Russian Patrol" Dr. Clegg

"Humoresque" Dvorsak

"Llewelyn Edwards, Pipe Organist

"Villanelle" Del Aqua

"Waltz Song" (Melba) Ardelt

Jeanette Christine, Soprano

"The Raven" E. A. Poe

"Merchant of Venice" (Act III, Scene 1) Eben Rogers, Reader

"The Voyagers" (Duet) Sanderson

"Tell Me Gentle Stranger" Parry

Jeanette Christine, Gwyllyn Jones

"My Little Lad" Grimsdew

"Cornish Floral Dance" Gwyllyn Jones

"Sabbath Evening Chimes"

"Light Cavalry Overture"

"The Bells of Aberdovey" Skia

Llewelyn Edwards

"Hear Ye, Israel" Mendelssohn

"Winds of the South" Scott

Jeanette Christine

"The Thousandth Man" Kipling

"Lascia" Desprey

"Jiffoh Adams Won the Battle of Waterloo" Service

"I Kissed Her on the Stair"

"The Cremation of Sam McGraw" Eben Rogers

"Flow Gently, Deva" Parry

"Widow's Scene" (from Eljah) Mendelssohn

Jeanette Christine, Gwyllyn Jones

"The Land of Our Fathers"

"Hen Wlad fy Nhadau"

"My Country 'Tis of Thee"

All in Unison

WHAT IS GOING ON TODAY?

County agricultural committee, court house, afternoon, map out county agent's program.

Children's hour, 4.15. Peabody hall of Lawrence Conservatory of Music. Pupils from the studio of Mary Marguerite Arens

Epworth league social, 7.45, parlors of German Methodist church.

Rural affairs committee, chamber of commerce, 7.30, insurance-bldg, organize and map program.

Junior - senior banquet at high school, 8.30.

PARTIES

The last community dancing party to be given this season by Appleton Womens club sports council will take place at Armory 7 on Tuesday evening. Miss Regina King is chairman of the committee which is making Mayday favors and arranging for the features of the dance. Mellorimba Society orchestra will furnish the music.

Mrs. Frank Harriman entertained at tea Tuesday afternoon at her home, 626 Rankin-st. The party was in honor of her daughter-in-law, Mrs. Joseph Harriman

A shower was given Thursday evening at the home of Mrs. Gregory Schindler, 1015 Lake st, for Miss Anna Bergem whose marriage to Stephen Spellman of Menasha will take place May 17. Thirty guests were present

Circle dances and old fashioned waltzes were features Thursday evening at the married folks dancing party held in South Masonic hall by Brotherhood of American Yeomen Wetstein orchestra furnished music About 60 persons attended.

The Epworth League of the German Methodist church will entertain the Christian Endeavor society of First Reformed church at the church at 7.45 Friday evening. A program has been planned and games and stunts will furnish entertainment.

Members of Carpenters local No. 955, their wives and families were entertained at a dancing party Thursday evening in Trades and Labor Council hall. A guitar and violin furnished music. Forty couples were present.

Mrs. M. S. Peerenboom entertained the Birthday club at bridge Thursday afternoon at her home, 908 High-st. Mrs. A. E. Adelt won the prize.

Mr. and Mrs. Charles Pien of Cornland Locks will entertain Friday evening at a private dancing party at the village pavilion at Combined Locks. Quite a number of invitations have been issued

CLUB MEETINGS

Mrs. Anton Boehnlein entertain the Thursday club at her home, 724 Main-st. Thursday afternoon. Prizes were won by Mrs. Charles Selig and Mrs. C. Hearden.

Mrs. Mary Johnson gave a reading Thursday afternoon at the meeting of the Sunshine club. Mrs. F. H. Boulter was hostess at her home, 476 Minor-st. Forty members were present.

CARD PARTIES

The mothers of Shamrock troop of girl scouts will give a card party at Columbia hall on Friday, May 18, for the camping fund of that troop. Plans for the party were made at a meeting of the mothers at Columbia hall on Friday evening. Bridge and schafkopf will be played in the auditorium and dice in library

PICNICS

A large percentage of the faculty of Appleton high school was present at the picnic given by one group of the teachers at the Vicksburg cottage at Lake Winnebago on Thursday evening. After the picnic, supper, games, stunts and songs formed the informal program of the evening.

MISS CALDWELL LEAVES NEENAH CLUB POSITION

Miss Frances Caldwell, assistant director of the Neenah Girls club has resigned her position and left Thursday for her home in Lincoln, Neb. Miss Caldwell plans to return to Chicago to attend the summer session of the Chicago Recreation Training school but will make a trip to the east before the session begins.

EPISCOPAL CHURCHES TO HOLD JOINT SERVICE

The congregations of All Saints church, Appleton, and of St. Thomas church, Neenah will have a joint service at 7.30 Sunday evening at Neenah. An organ recital will precede the service. The Rev. Mr. Clark from the national office of the Episcopal church in New York will speak on the church program. The Rev. Mr. Clark is just completing a tour of the Pend du Lac diocese and Neenah will receive his last visit.

A. A. U. W. TO ELECT OFFICERS AT MEETING

Election of officers will take place at the meeting of the American Association of University Women, Saturday afternoon. The talk will be given by Miss Florence Day who will discuss "Librarianship as a Profession for Women." Mrs. Stephen Rosebush will be hostess to the organization at her home, 653 Washington st, instead of Mrs. H. W. Abraham, as previously announced.

Quinlan Pupils Giving Recital In Peabody Hall

Voice students from the studio of Winifred Wilson Quinlan will be presented in recital at 8.30 Saturday afternoon in Peabody hall of Lawrence Conservatory of Music. The recital which was postponed two weeks ago is open to the public and the numbers to be given are as follows:

Irish Love Song Lang

Lullaby Lieurance

Vivian Viel

Cloudlets Meta Schumann

Mifanuy Milda Schneider

The Day is Gone Forster

The Birds Louise Ryan

Japanese Love Song Lang

Alda Robb

Robin in the Apple Tree Hue

The Piper of Love Brahe

Barbara Ruch

Ciel mio dolce ardor Gluck

In My Little Garden Manney

Wake Up Phillips

Clara Bjerk

Under the Lanterns Sanderson

Autumn Alison Crompton

Good Morning Brother-Sunshine Lehman

Florence Gaiser

Roses by Summer Forsaken Newton

Vagrant Linn-Seiler

Iona Plotow

Miss Regina King is chairman of the committee which is making Mayday favors and arranging for the features of the dance. Mellorimba Society orchestra will furnish the music.

Mrs. Frank Harriman entertained at tea Tuesday afternoon at her home, 626 Rankin-st. The party was in honor of her daughter-in-law, Mrs. Joseph Harriman

A shower was given Thursday evening at the home of Mrs. Gregory Schindler, 1015 Lake st, for Miss Anna Bergem whose marriage to Stephen Spellman of Menasha will take place May 17. Thirty guests were present

Circle dances and old fashioned waltzes were features Thursday evening at the married folks dancing party held in South Masonic hall by Brotherhood of American Yeomen Wetstein orchestra furnished music About 60 persons attended.

The Epworth League of the German Methodist church will entertain the Christian Endeavor society of First Reformed church at the church at 7.45 Friday evening. A program has been planned and games and stunts will furnish entertainment.

Members of Carpenters local No. 955, their wives and families were entertained at a dancing party Thursday evening in Trades and Labor Council hall. A guitar and violin furnished music. Forty couples were present.

Mrs. M. S. Peerenboom entertained the Birthday club at bridge Thursday afternoon at her home, 908 High-st. Mrs. A. E. Adelt won the prize.

Mr. and Mrs. Charles Pien of Cornland Locks will entertain Friday evening at a private dancing party at the village pavilion at Combined Locks. Quite a number of invitations have been issued

CLUB MEETINGS

Mrs. Anton Boehnlein entertain the Thursday club at her home, 724 Main-st. Thursday afternoon. Prizes were won by Mrs. Charles Selig and Mrs. C. Hearden.

Mrs. Mary Johnson gave a reading Thursday afternoon at the meeting of the Sunshine club. Mrs. F. H. Boulter was hostess at her home, 476 Minor-st. Forty members were present.

CARD PARTIES

The mothers of Shamrock troop of girl scouts will give a card party at Columbia hall on Friday, May 18, for the camping fund of that troop. Plans for the party were made at a meeting of the mothers at Columbia hall on Friday evening. Bridge and schafkopf will be played in the auditorium and dice in library

PICNICS

A large percentage of the faculty of Appleton high school was present at the picnic given by one group of the teachers at the Vicksburg cottage at Lake Winnebago on Thursday evening. After the picnic, supper, games, stunts and songs formed the informal program of the evening.

MISS CALDWELL LEAVES NEENAH CLUB POSITION

Miss Frances Caldwell, assistant director of the Neenah Girls club has resigned her position and left Thursday for her home in Lincoln, Neb. Miss Caldwell plans to return to Chicago to attend the summer session of the Chicago Recreation Training school but will make a trip to the east before the session begins.

EPISCOPAL CHURCHES TO HOLD JOINT SERVICE

The congregations of All Saints church, Appleton, and of St. Thomas church, Neenah will have a joint service at 7.30 Sunday evening at Neenah. An organ recital will precede the service. The Rev. Mr. Clark from the national office of the Episcopal church in New York will speak on the church program. The Rev. Mr. Clark is just completing a tour of the Pend du Lac diocese and Neenah will receive his last visit.

A. A. U. W. TO ELECT OFFICERS AT MEETING

Election of officers will take place at the meeting of the American Association of University Women, Saturday afternoon. The talk will be given by Miss Florence Day who will discuss "Librarianship as a Profession for Women." Mrs. Stephen Rosebush will be hostess to the organization at her home, 653 Washington st, instead of Mrs. H. W. Abraham, as previously announced.

Three Are In Contest For May Queen

Womens Club Groups Will Vote On Nominees Picked By Sports Council

The Misses Marian Ingenthron, Leone Storm and Lynda Hummel were nominated for the may queen of Appleton Womens club at the meeting of sports council at the clubroom on Thursday evening. The election to the position is a matter of popularity on the basis of the amount of service and inspiration which each candidate has given during the year. Each club and class will cast its votes during the next week either in class or meeting or individually at the club room until Friday.

An informal demonstration of the work of the recreation department in the physical education classes will be put on for the queen after her coronation at Appleton high school on May 21. There will be no special numbers planned for the program but each class will show what it has been doing during the year.

Plans were made for a rummage sale to be conducted by the recreation department in the near future and a committee will be appointed to take charge. Another committee was appointed to buy some necessary equipment for the cottage, which was inventoried for supplies early in the week. Another committee will be appointed to take charge of the coronation plans for the queen.

Mothers Will Be Guests At Sunday Cozey

A Mothers Day program will be given at Appleton Womens clubrooms at 4 o'clock Sunday afternoon at which time all the girls of the recreation department are urged to have their mothers as guests. Mrs. James Reeve will read and Mrs. S. W. Murphy and her daughter, Miss Dorothy Murphy, will furnish a musical program.

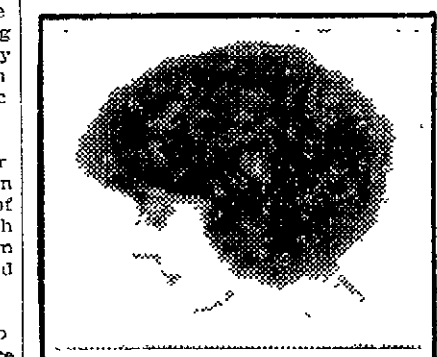

This will be the last Sunday afternoon program in the clubroom. Sunday afternoons during the summer will be spent at the cottage at Lake Winnebago.

KNIGHTS OF COLUMBUS-GIVING DINNER PARTY

The Knights of Columbus will give a dinner party for members and their wives in the Venetian room of Conway hotel Thursday evening, May 17. Dinner will be served at 6.45.

Brainard Recital

Miss Gladys Yves Brainard will be hostess to a few of her friends at a recital in Peabody concert hall at Lawrence Conservatory of Music at 8.20 Friday evening. This is Miss Brainard's first public appearance since her illness. She will fill several postponed out-of-town engagements during May.

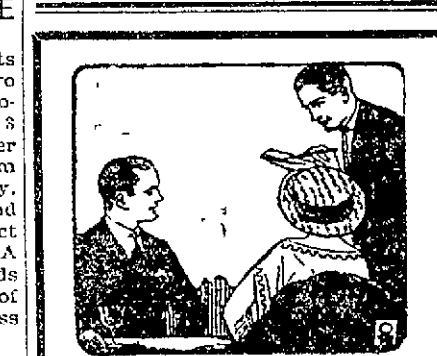

The Clay I Use

I use a clay perfected by 20 years of scientific study. It is white, clean, dainty, amazingly efficient. My girlish complexion at my grand old age is due largely to that clay.

I can do my sex no greater kindness than to supply that clay to others. It is on your toilet counters now — Edna Wallace Hopper's White Youth Clay. Price 50c and \$1. Please learn what it does.

Fun Producers Are Chosen For 'Pair Of Sixes'

There will be lots of laughs in "A Pair of Sixes," the annual senior play which Appleton high school will present at Appleton theater on May 19. "Bob" Bonini will play the part of George B. Nettleton, a prosperous business man with much conceit and a loving wife who is all nerves, while Bert Fisher will play the part of T. Boggs Johns, his business partner in the pill manufacturing business. The partners do not get along and the lights will be highly entertaining. Mr. Johns calls himself the brains and blood of the business while he calls his partner the bone and fat of it.

The seniors are working hard to make the play a big success. It will be the first event of the high school commencement program.

Mrs. George Catlin has gone to Milwaukee, where she will be the guest of relatives for several days.

Paul L. Hackbert, local chairman of the Order of Railway Telegraphers is attending a meeting of the order at Chicago.

What Makes Some Rooms More Attractive Than Others?

The price or even the beauty of a piece of furniture in itself does not determine its fitness, but rather does it belong as a harmonious detail in the scheme of the room as a whole.

Note the pleasing effect produced in this Living Room by the judicious arrangement of the furniture and furnishings, which in this case happen to be some of our very medium priced merchandise.

The items and prices are listed below

- Mahogany and Case Davenport Sateen Cover \$87.50
- Mahogany and Case Armchair Sateen Cover 46.50
- Mahogany End Table 18.00
- Gray and Black Chenille Rug 97.50
- Table Lamp 18.75

PRESBYTERIAN S. S. WILL PRESENT PROGRAM

Members of the Presbyterian Sunday school will present a program at the church on Tuesday evening in order to raise the money for the piano

Eat Kellogg's Bran regularly to get permanent relief from constipation!

Freedom from constipation, mild or chronic, can be surely looked for if you will eat Kellogg's Bran every day! Two tablespoonfuls are sufficient; for severe cases with each meal.

Kellogg's Bran is nature's most wonderful food awaiting a chance to bring back your health. Kellogg's Bran is scientifically prepared to relieve suffering humanity from constipation and it will do that.

Being cooked and krumbled, Kellogg's Bran is delicious in its nut-like flavor. It should not be confused with common bran which is unpalatable and hard to eat. Kellogg's Bran adds greatly to the pleasure of eating other hot or cold cereals. A popular way to serve Kellogg's Bran is to cook it with hot cereals. In preparation, add two tablespoonfuls of Bran for each person, mixing it with the cereal to be cooked.

Kellogg's Bran is especially delicious in raisin bread, muffins, pancakes, macaroons, etc. Recipes appear on each package.

Realize what Kellogg's Bran is doing for constipation sufferers all over the nation, then just think what it can do for you and yours. The horrors to come should guide you to eat Bran regularly, to serve it in some form each day.

You can drive constipation out of your family with Kellogg's Bran—and remove the cause of 90% of human illness! First-class hotels and clubs serve Kellogg's Bran in individual packages. Ask for it at your restaurant. All grocers.

which is needed in the Sunday school work. Several well known musicians have been secured and a one-act play will be included in the performance.

J. W. Werner of New London was called to Appleton Thursday on business.

P-T ASSOCIATION TO HOLD LAST MEETING

Social Will Be Held At Black Creek Schoolhouse Tuesday Evening

Black Creek—The last meeting of the Parent-Teachers association will be held at the school house Tuesday evening, May 15. It will be a party with games, stunts and refreshments. Everybody is invited.

Mrs. Becken, wife of the Rev. Paul Becken, pastor of St. John church, has been quite sick but is improving.

A daughter was born to Mr. and Mrs. Herman Richard Thursday of last week.

Mr. and Mrs. A. L. Burdick and W. A. Shaw went to Eau Claire Monday to attend the funeral of their aunt, Mrs. David Smith, who died at her home at Bois La Poudre, Saturday.

John Maas has moved his family to the place where he is employed, and Gustave Maas will move his family there next Sunday.

On account of the illness of Mrs. Herman, Mr. and Mrs. John Herman have moved to the home of their daughter, Mrs. Gustave Peters, of Black Creek. They have rented their house here to a lady named who will take possession at once.

George Muech, who works on the county highway, moved his family here from Appleton Monday and they will live in rooms in the L. R. Wilson house on North Main-st.

R. J. Brunette and family spent Sunday in Howard.

Miss Ruth Brandt of Appleton visited here Sunday.

Sidney Hauer returned Monday from spending the winter with his uncle in Michigan.

J. J. Huhn, Julius Miller, and Gustave Maas, who are working near De Pere, spent the weekend at home.

R. H. Gehrke and family visited relatives at Marquette Sunday.

Mrs. Charles Meier was an Appleton visitor Monday.

Mrs. William Weidhoff spent the first of the week in Center.

Mr. and Mrs. William Blake and Mrs. Belline and daughter, of Oshkosh were weekend guests at the Joseph Blake home.

Mr. and Mrs. Julius Sassenman, accompanied by Mr. and Mrs. James Sherman, Mr. and Mrs. Irvin Shawman, Seymour, autoed to Fort Atkinson Sunday.

Misses Floy and Mona Safford of Green Bay were visitors here Saturday.

Oscar Koehler of Pulaski spent the weekend here.

Mr. and Mrs. Fred Staeben of Fond du Lac were guests Sunday at the home of Vernon.

Miss Florence Holstad of Starks, who spent a month with her sister, Mrs. Annison, returned home last week.

Mr. and Mrs. J. A. Koehler and daughter Miss Frieda, Pulaski, Mr. and Mrs. Otto Mielke and daughter Dolores Ann of Seymour, were visitors here Sunday.

Mr. and Mrs. Lewis Sassenman and baby of Omro visited at the Fred Sassenman home Sunday. Lewis Sassenman has accepted a position at Cherry, N. T., five miles from the Canadian line. The family will move there at the end of the school year.

Mr. and Mrs. Thomas Patterson and children of Orell visited Mr. and Mrs. Fred Sassenman Sunday.

Mr. and Mrs. Henry Howell and Mr. and Mrs. Henry May of Milwaukee and Mrs. Frank Knoll and Mrs. John Endlich of Appleton were guests at the E. H. Schulz home Saturday.

Mr. and Mrs. Julius Sassenman and Myron De Long were business callers at New Holstein one day last week.

Mr. and Mrs. Guy Hildebrand and son Emerson of Oshkosh, and Mr. and Mrs. Olin Mead of Appleton visited at the J. J. Lahti home Sunday.

C. J. Burdick and family visited in New London Sunday.

George Park of Advance visited his sister, Mrs. N. A. Shauger, Monday.

Mr. and Mrs. Leo Barth have moved here from Menomonie, Minn., and the former will open a shoe repair shop in Mr. Hopp's building on South Main-st.

Mrs. Ernest Warner and son of Pulaski are visiting her parents, Mr. and Mrs. William Burmeister.

William Rohloff and family of Pulaski visited at Albert Rohloff's Sunday.

MISS WEDEWART IS WED TO IRA F. ROSENBAUM

Special to Post-Crescent
Seymour—The marriage of Miss Minnie Wedewart, daughter of Mr. and Mrs. Fred Wedewart, Seymour, route 2, and Ira F. Rosenbaum of Stout City, Iowa, took place at the Methodist parsonage Wednesday evening.

The Rev. George Lester performed the ceremony. The young couple left for Stout City Thursday morning to reside. The bridegroom is employed there.

Frank Ohmstedt and family left with their household goods for Columbus where Mr. Ohmstedt has bought a hardware store.

The Rev. and Mrs. George W. Lester returned Tuesday from Rochester, Minn., where the former spent three weeks following an operation. He expects to preach Sunday.

YOUNGSTERS SEE SENIORS PRESENT PLAY AT MATINEE

Senior Class Play, "The Gold Bug," Will Be Offered To Adults Tonight

Kaukauna—A few hundred children attended the matinee presentation of the "Gold Bug," the annual senior class play of the high school, Thursday afternoon at the auditorium. It will be presented at 8 o'clock Friday evening. Sale of reserved seats has been enormous and indications are that the building will be filled to capacity. Music lessons are still furnished by the high school orchestra.

The play is an adaptation of Edgar Allan Poe's story of the same name, although it does not follow closely the plot of the short story. The cast follows:

William Legrand, the "Gold Bug" ... Carl Hansen
Perry Linton, the friend ... Frank Jirkowicz
Harold Frank ... Elmer Gimminger
Katie Harte, the burglar ... Carl Ploetz
Eugene Kipp, the Carolinian ... Milton Metz
Nell Thelen, the mystery ... Frank Jirkowicz
Job Merdmark, the Bostonian ... Harold Frank
Isaac Millman, the craftsman ... Elmer Ott
Kate Horne, the stenographer ... Germaine VanLeishout
Dillon Slattery, the romantic ... Lucille Smith
Old Hagar, the vagrant ... Marlan Newton
Jo Cherry, the girl ... Elizabeth Schussman
Mrs. Horne, the mother ... Laura Bielke
Mrs. Farrington, the aristocrat ... Lorraine Mitchell
Ruehah, Farrington-Foster, "Debutante" ... Lucille Dietzler
College boys are Rex Radach, Melvin Tate, Malcolm Jacobson, Edward Lukke and Russell Brenzel.

KAUKAUNA PERSONALS
Kaukauna—Mr. and Mrs. George Buerth, Mrs. Rose Kemp and Joseph Zink autoed to Black Creek Wednesday evening.

Mrs. Howard Patterson was in Appleton Wednesday on business.

Fred J. Milz, who is employed at the postoffice, is spending part of his two week's vacation at Winneconne.

Mr. and Mrs. Louis Creveier returned Wednesday evening from Manitowish where they attended the funeral of a friend, Mrs. Anna Scheidola.

KAUKAUNA YOUTH WINS HONORS IN U. S. NAVY

Bernard Stiers, Kaukauna, who enlisted in the United States navy at Green Bay in February of 1922, has won the distinction of being one of the most efficient men in the United States Naval Training station at Hampton Roads, Va. He was one of the five men placed on the honor roll of the school for the week ending April 25 because of his progress in instruction, personal appearance and attendance to duties.

FUNERAL HELD FOR J. J. GETLINGER

Special to Post-Crescent
Dale—Funeral services were held at Resfield Lutheran church Wednesday afternoon for Jacob Getlinger, 62, with the Rev. E. Wyland in charge. The bearers were Peter Spangler, William and Charles Danke, Charles Calby, Robert Kisev and Richard Ziem.

Out of town persons who attended were Mr. and Mrs. Charles Neuman, and family and Carl Neuman, Tipton; Mr. and Mrs. Ernest Wendt, Mr. and Mrs. Leo Martin, Weyauwega; Mr. and Mrs. John Kuhn and daughter Selma, Manitowish.

Mr. Getlinger died at his home west of Dale at 5 o'clock Saturday evening of last week, after a long illness with diabetes. He came to Wisconsin with a small boy and has occupied the present homestead for many years.

Decedent is survived by his widow, eight children, Herbert, Vilma, Martin, Earl, Sylvia, Erna, Rex and Fay; two brothers, Levi and William; two sisters, Mrs. John Homan and Mrs. Robert Prentice, Dale.

VISIT RELATIVES
Mrs. Richard Schwan, Mrs. Henry Kester and son Roy, Mrs. Louis Ophel and daughter of Appleton visited relatives in Dale Sunday.

Mr. and Mrs. Henry Anderson, Mr. and Mrs. Charles Johnson and son Kenneth and Mr. and Mrs. Chris Mathison, daughter Tillie and son Edward of Waupesa spent Sunday at Thor Broth's.

Mrs. J. Yost of Brillien was called here by the illness of her mother, Mrs. C. Neuman.

Mrs. Cleo Cannon and children of Neuman are spending the week here. The examination of candidates for confirmation will take place at the Reformed church Sunday.

Mr. and Mrs. Frank Piske of Oshkosh spent Sunday at Leo Landre's home.

Due to an error in composition the item in Slater's adv. of yesterday, advertising socks at \$25 should have read Suits instead of socks.

BEAR CREEK HOTEL HAS BEEN CLOSED

Mr. and Mrs. Rosmer Dery Withdraw From Management Of Place

Bear Creek—Mr. and Mrs. Rosmer Dery, who have had the management of the Maywood hotel for the past few months, have moved and are occupying rooms in the Heckman building. The hotel is closed for the present.

YOUNGSTERS SEE SENIORS PRESENT PLAY AT MATINEE
Senior Class Play, "The Gold Bug," Will Be Offered To Adults Tonight

PICK MAY 18 FOR GRADE SCHOOL MEET
Kaukauna—The requests of school children from the third grade to the eighth grade in the Nicolet and Park graded schools for the "where-with-all" to purchase tennis shoes and slippers is an indication that the annual track and field meet between the two institutions is not far off. As a matter of fact the date has been set for Friday, May 18 on the municipal playgrounds. It will be the fourth annual meeting to decide the athletic supremacy of Park and Nicolet schools. To add to the importance of the contest this year, a silver loving cup will find a permanent home in Park school unless the south side pupils score enough points to win the meet. Three years ago the cup was put up by John Seiber, jeweler, to be given to the winning school. The cup is to become the permanent trophy of the school that wins it three years in succession. Park school accomplished the task the last two years and its pupils are practicing faithfully to turn the trick this season, thus clinching the award for all time.

INVITE VISITORS TO LOOK OVER NEW BANK SATURDAY
Kaukauna—Saturday, May 12, will be the formal opening day of the Farmers and Merchants bank in its new building, corner of Main and Second-st. The institution now is thoroughly established in its new home. Souvenirs will be presented to all who attend the opening. The bank will be open for business or visit from 9 o'clock Saturday morning until 10 o'clock in the evening. The employees of the institution who are Hugo Weisenbach, cashier, Henry Ott, teller, Miss Cora Hellman and John Von DeLoe, bookkeepers, will be on duty all day.

Senior Class Play, "The Gold Bug," Will Be Offered To Adults Tonight

PICK MAY 18 FOR GRADE SCHOOL MEET
Kaukauna—The requests of school children from the third grade to the eighth grade in the Nicolet and Park graded schools for the "where-with-all" to purchase tennis shoes and slippers is an indication that the annual track and field meet between the two institutions is not far off. As a matter of fact the date has been set for Friday, May 18 on the municipal playgrounds. It will be the fourth annual meeting to decide the athletic supremacy of Park and Nicolet schools. To add to the importance of the contest this year, a silver loving cup will find a permanent home in Park school unless the south side pupils score enough points to win the meet. Three years ago the cup was put up by John Seiber, jeweler, to be given to the winning school. The cup is to become the permanent trophy of the school that wins it three years in succession. Park school accomplished the task the last two years and its pupils are practicing faithfully to turn the trick this season, thus clinching the award for all time.

INVITE VISITORS TO LOOK OVER NEW BANK SATURDAY
Kaukauna—Saturday, May 12, will be the formal opening day of the Farmers and Merchants bank in its new building, corner of Main and Second-st. The institution now is thoroughly established in its new home. Souvenirs will be presented to all who attend the opening. The bank will be open for business or visit from 9 o'clock Saturday morning until 10 o'clock in the evening. The employees of the institution who are Hugo Weisenbach, cashier, Henry Ott, teller, Miss Cora Hellman and John Von DeLoe, bookkeepers, will be on duty all day.

MUST HELP PAY UP INSURANCE DEBTS

State Order Affects Local People In Automobile Liability Co.

An assessment against the 18,000 policyholders in the Automobile Liability company, Limited, of Milwaukee, affects quite a number in Appleton and Outagamie co. The assessment for \$200,000 to pay claims existing against the company has been issued by Insurance Commissioner Paul Whitman, who quietly took charge of the concern a year ago in an attempt to salvage the assets of the concern.

This assessment, actuated by the insurance commissioner claim, is merely the first assessment that may be issued. It is 50 per cent of the actual premiums paid by policyholders, and if the funds raised are not sufficient to pay existing claims against the company an additional assessment to raise a further sum of \$200,000 will be ordered.

Of the 18,000 policy holders, 16,000 are residents of Wisconsin. The assessment will extend back to the 1918 policy holders. Under the law policyholders of mutual insurance companies are liable for claims against the company, and if the premiums paid by them in the first instance are not sufficient to pay the claims they may be assessed in proportion to the premiums paid. The total claims against the company are \$600,000.

H. H. LONG BUYS SITES FOR HOME AND GARAGE

Harry H. Long, proprietor of Harry H. Long baggage and transfer line, 625 Wisconsin st., purchased Wednesday from Rufus Lowell the former Max Richards residence property on Walnut st. immediately south of the United Consumers Corporation filling station. He will improve and occupy the property.

Mr. Long also purchased from Anton Ellenbocker the property immediately back of the residence on which he will build a cement block and steel garage, 32 by 63 feet in size for his motor trucks. Work upon the garage will be commenced with in the next few days.

SECOND PAIR OF TWINS IS BORN AT GENS FARM

William Gens of Grand Chute must have been born under a lucky star which watches over the owners of Holstein herds and makes them prosperous. On Wednesday morning, a Holstein cow belonging to Mr. Gens gave birth to twin calves. This is the second time this year that a cow in the Gens herd has had twins.

Eleanor Davies, leader of this year's daisy chain at Vassar college's commencement, is the daughter of Joseph Davies of Washington and popular in capital society. Mr. Davies is a former Wisconsin man.

BOYS IN COURT FOR STEALING RAIL RIDES

Two 14 year old boys who caught rides from Kaukauna to Appleton Wednesday afternoon on train No. 224 of the Northwestern road, were brought into municipal court Thursday morning. They were arrested by J. W. Blue, special agent of the railway company. After warning the boys that a second offense would cause them to be placed in the industrial school at Waukesha until they are 18 years old, Judge Spencer dismissed the boys and remitted their fines of \$1 each.

LET YOUNGSTERS OUT OF SCHOOL TO ATTEND MOVIE

Pupils of grade schools who have tickets to the American Legion motion picture "The Man Without a Country" which will be shown at the Elite theatre on Monday, May 14, will be excused in time to permit them to attend the showing at 1:30 in the afternoon. This arrangement was made on Thursday. High school pupils will be excused to attend the showing at 3:30.

Aim To Get All Coal To Northwest By Boat This Season To Avoid Famine

Government Is Urging "Buy Early" Custom In Lake States Where Demand Is Heavy And Possible Strikes Serious

BY BASCOM N. TIMMONS

Washington—Department of commerce, interior department, and shipping board are interested in the plan for a bridge of boats on the Great Lakes this summer to transport to Wisconsin and other northwestern states their next winter's coal supply.

Last winter's serious coal shortage in these northwestern states will not be duplicated this year if citizens co-operate to the extent of buying their coal early.

The states of Wisconsin, Minnesota and northern Michigan and the Canadian provinces bordering on the lakes must have their coal shipped by rail to the southern lake ports and then transported by barge and boat. The supply and it is an urgent one in the winters up there, was depleted by the coal strike. The water route by which it is carried what is known as lake coal and it is the bulk of that normally used, is to be utilized from now on until the December freeze comes for the renewed supply.

The amount of lake coal consumed yearly is around 25,000,000 tons. Of this about 4,000,000 tons is carried by the New York Central lines from the mines in Pennsylvania, Ohio and West Virginia to the docks at Toledo and Ashabula, where it is transferred to lake steamers. These ships are not one-way ones, as they bring iron ore from the northwest for the furnaces in Pennsylvania and Ohio. In normal times more ore is carried one way than coal the other. This will not be true during the coming summer.

When the coal strike ended last September and there was still time to move some lake coal before winter set in, Ashabula harbor was one of the busiest spots on earth. In thirty-eight days 765,405 tons of soft coal, in 14,459 cars, were transhipped. An average of a car every three minutes of the 24 hour day was struck most of the time. The average capacity of a car is fifty tons. During those record breaking days 7,763 cars, with

385,150 tons of coal, were handled at Toledo.

The Ashabula harbor yards contain nearly 70 miles of trackage devoted exclusively to the coal and ore traffic. When trainloads of coal arrive the cars are sorted with switch engines according to the size of the coal and then taken to the landing docks, where they are hoisted by huge elevators. They then are tipped and the coal goes down chutes into the waiting vessels. The empties are shunted to a siding and taken back to the mines.

The ore is unloaded from the steamers with grab buckets which have a capacity of from 15 to 20 tons each. They are run on an elevated track to a dumping ground, where it lies until taken by rail to the furnaces.

The average number of cars in the busy season that awaits transshipment of coal to the steamers is 3,000. But the turn around is rapid.

A big shark, landed at Caidiff, recently, was found to contain seven other sharks, measuring up to two and a half feet.

COAL SHIPPING STARTS ON RIVER

Tugs and barges are now plying up and down the Fox river daily laden with coal. A goodly number of the crafts were those of the Cook and Brown Lumber company of Oakbush and much of the coal was destined to that city. Coal has also been docked at the electric power plant of the Wisconsin Traction, Light, Heat & Power Co.

More coal than ever will probably be hauled from Green Bay this season. In 1921 nearly 300,000 tons was hauled on the river. Navigation suffered on the lower Fox in 1922 on account of the big washout at Little Rapids.

The government boat Fox, plying up the Fox river this week toward Lake Winnebago where it will mark the channels for navigation.

ZWICK AND NEARY SIGNED TO BATTLE IN APPLETON

KAUKAUNA SHEIK TO APPEAR HERE LATE THIS MONTH

"Best Card Of Season" Is Landed By Promoter Johnson

The Sheik is coming to Appleton. Elmer Johnson, of the Mid-West Athletic club has finally landed the "big card" of the season. Elmer Johnson announced that he has signed Jack Zwick, Fond du Lac and Tommy Neary, the Milwaukee welter who are to clash here the latter part of May.

MAY MEET MAY

The card, originally intended for May 18, cannot take place at that time but probably will be held May 25. The reason for it is Zwick. The Kaukauna scrapper will not be allowed to fight by Manager Percy Callahan until Zwick is his "old self" again and he ought to be that in a few weeks. Zwick is up in the woods near Antigo where he is recuperating from the stepkick given him by "Parsen" Conley in Green Bay.

Callahan plans to keep Zwick north until ten days before the fight, then he will switch his quarters to a Milwaukee gymnasium.

TOOK LOT OF EFFORT

Landing Zwick and Neary is the result of much of a half year's effort on the part of Johnson. Zwick, one of the best fighters in the vicinity, was constantly sought by other promoters who always spoiled the plans of the Appleton Tex Rickard.

Suitable preliminaries for the contest will be sought at once.

Zwick and Neary met in Milwaukee sometime ago when the Kaukauna fighter landed Vincent Monahan's charge a bad beating but since Neary has demonstrated his worth by staying with Frankie Mitchell for ten rounds.

Neary will come here for vengeance while Zwick will certainly try to get back his old rating as a knockout artist.

As matter of coincidence it may be recalled that Zwick started his fighting career in Appleton several years ago when he met Eddie Warner of this city a six round contest, which was called a draw.

SPORT VIEWS AND NEWS

Although the football season is still several months in the distance, the valley scholastic conference has its stage pretty well laid for a big conflict. It is a good plan to select the officials and arrange the contests way ahead of time as it eliminates confusion when the season is under way. From the looks of things, the valley conference has firmly established itself in the front rank of Badger state scholastic athletics.

Columns of copy fill the papers daily on the paddock suspension. From what we have read, the prevailing opinion leans very strongly to the Pacific coast athletes in his "scuffle" with the A. U. Paddock is over in France enjoying himself immensely and when he feels so inclined, he puts on his cinder path shoes, steps out and busts another record. In the meantime, the A. U. leaders are undergoing a newspaper attack which, we think, must make their ears burn. Again we wonder—what will the harvest be?

King Winter's return will mean a lot of bargain days for the baseball fans here in the season. There has been a raft of postponements in the majors during the past week and when the teams clash in the second round of games twin bills will be all the rage. Some of the managers are not looking forward to these double headers with pleasure because winning pitching material does not look to be very plentiful in the big show this year.

It is funny what \$50,000 will do. When the contracts for the Dempsey-Gibbons fight were signed, it was stipulated that both of the principals were to do their training stunts in Shelby, the scene of the scrap. Then Thave, Mont., comes along with a guarantee to sell \$50,000 worth of tickets if Tom Gibbons trains there and immediately the promoters nod their approval, despite the supposed-to-be iron clad agreement. What next, we wonder.

Grover Cleveland Alexander, one of the greatest pitchers in the National game today, has just hung another record which is attracting considerable attention. The veteran Cub slab artist has won his way through 42 innings without issuing a single pass. This perfect control mark has never before been equaled in major league baseball.

TENNIS SEASON STARTS TODAY

The 1923 tennis season was ushered in Friday afternoon on the Y. M. C. A. courts when the grounds were thrown open to the net enthusiasts. Only two courts will be available this year as the other is being used for storing material used in altering the Y. M. C. A. building foundation.

The courts were put in shape and were declared O. K. by A. P. Jensen, director of athletics at the "Y" Thursday afternoon and a few of the early birds immediately started getting the kinks out of their arms. A tourna-

Kaukauna Coming Several Hundred Strong For Game

One of the biggest turnouts in the history of the baseball game in Appleton is expected here when Appleton opens its home season with Kaukauna in Brandt park Sunday afternoon.

Manager Eddie Stumpf will invade the Paper City with 300 to 500 followers while Appleton is expected to send through the gates enough fans to swell the total above the 2,000 mark.

A royal battle is expected in every respect. Kaukauna, winner over Fond du Lac last week by a score of 4 to 3, will make a supreme effort to continue its good start and the Sylvester-Miller outfit naturally will want to begin the home-to-season right.

Practice nearly every day has improved to the Papermakers while Manager Brautigan's chance in the outfield, putting Len Smith in the right field in place of Beyer, is expected to strengthen the hitting powers of the

TOBIN'S 2 HOMERS FAIL TO WIN FOR BROWNS; MACKS COP

Philadelphia Hammers Four St. Louis Pitchers To 10-7 Victory

St. Louis—Philadelphia hammered four St. Louis pitchers for 13 hits, including three triples and a double, and won on Thursday, 10 to 7.

Tobin poled two home runs and a double and was responsible for four tallies. The first four bagger came off Hasty in the fifth with two men on base, and the second came off Harris in the eighth.

In the fourth Hauser, clouted the ball over the right field fence, scoring behind Perkins.

St. Louis..... 1 0 0 0 3 0 6 0—7
Philadelphia..... 1 1 1 3 0 2 0 2—10

Batteries: Rommell, Harris, Hasty, and Perkins; Root, Hayne, Kolp, Danforth and Severed.

YANKS WHIP TRIBE

Cleveland—New York slaughtered Cleveland, 13 to 4, here on Thursday, fanned the first three batters, including Ruth, and five of the first six to face him. Then he weakened and was taken out in the fourth. Morton, who followed him, was battered hard. Joe Dugan hit a home run into the left field bleachers. The seventh drive ever hit in those stands.

New York..... 0 0 3 2 0 2 5 1 0—13
Cleveland..... 2 1 1 0 0 0 0 0 0—4

Batteries: Penick and Schang and Hoffman; Boone, Morton, Edwards and L. Sewell and O'Neill.

WILLIE KAMM STARS

Chicago—Chicago defeated Boston, 9 to 7, after two days of postponement, in the first east-west series here. The game was a slugfest match, with the visitors using five pitchers, while Faber went the route for the locals. Schalk and Kamm, the latter with two doubles, led the attack for Chicago, while Reichle, the former University of Illinois star smashed out four hits, including a double and triple for Boston.

Boston..... 0 0 1 0 2 0 2 2 0—7
Chicago..... 0 1 2 0 3 3 0 0—9

Batteries: Murray, Black, Fullerton, O'Doul, Quinn and Pritch; Faber and Schalk.

FIRST WARD LEADS GRADE SCHOOL WHEEL

HOW THEY STAND

	L	W	Pct.
First Ward	2	0	1.000
Third Ward	1	1	.500
Lincoln	1	1	.500
Columbus	0	2	.000

THURSDAY'S GAME

First Ward 13, Third Ward 9
Lincoln 15, Columbus 8.

First Ward, showing unusual strength topped the Grade School league race by beating Third Ward, 13 to 9, on the Jones park diamond Thursday afternoon before nearly 200 fans. All Thursday's games were carried over from Monday when they were postponed on account of the rain.

Normal Eggart pitched First to victory while Orvil Strutz did the catching. The Third Ward battery was Diederich, John Reider and Newman.

The Lincoln school which lost its first game to Third ward, came back by beating Columbus on Franklin school grounds by a 15 to 8 score. The battery for Lincoln was Snider, L. Christian, Larson and C. Christian, and for Columbus, A. Fiedler, A. Engel and Melvin Kranschuch.

ment, for the city championship, will be held the latter part of the season. Rates this year will be 40 cents an hour per court for men and 20 cents for boys.

SHEBOYGAN LEADS STATE CLUBS IN HITTING AVERAGES

Billie Liebel's Outfit Nicked Sawdust City 18 Times—Appleton High

The Sheboygan club got off to a good start in its batting averages when in the opening game against Oshkosh, the Chairs clouted a trio of Sawdust City hurlers for 18 wallops. At that the Sawdust City aggregation got to Buster Braun for 13 bingles.

Although they lost to Menasha, the Brautigan-Sylvester combination got into Rush's delivery for 13 hits. Menasha nicked Lane for 9. Ed Stumpf's Kaukaunan's peeled eight swats off Tony Schultz's banders while Pandy connected for seven off big George Trentman. The Green Bay-Marquette-Menominee fracas was the low hitting affair in the lid lifting games. The Rays nibbled on Ervin Schultz's assortment for three bingles, while the Albia Twins were turned back without a sign of a swat by Smithson. Bobby Lynch's crack left hander.

SEVERAL "BABE RUTHS"

A number of "Babe Ruths" blossomed on the opening day. Four Sheboygan players, Kober, Wangemann, Peckles and Braun put their names in the circuit sweat column. Bull Durham and catcher Runke, two of the Oshkosh stars, also connected for 4-ly wallops. Tony Schultz and Manager Jap Barbeau of Fond du Lac are also members of the home run colony, along with Harry Sylvester of Appleton, and Al Cissa and Rush of Menasha.

Windy Wangemann, the Chair-maker's third sacker helped to put the skids under Oshkosh with a three base smash. Marty Lamers and Lane of Appleton were the only other players to crack out triples in the opening games.

However, twin sackers were much more plentiful. Smithson of Green Bay did a lot towards winning his own game with a double. Art Kores of Sheboygan connected for a pair of two-buggers and his team mate Brielmaier also got on with a double. Graby, both of Kaukauna, are credited with two base drives while in the Menasha-Appleton conflict Weidell, Cissa and E. Weisgerber slammed out wallops which took them half way around the circuit.

BERGERINO AT GREEN BAY

Bergerino, the Green Bay second sacker, is the only player to hop off with a 1000 per cent in the last column. He was up four times, got a hit, and thrice drew free transportation.

Brielmaier of Sheboygan got off in the lead in the run column prancing across the rubber with three markers. The two run makers were Graby, Kaukauna; Ziolsnik and Cissa, Menasha; and Braun, Wangemann, Koler and Peckles of Sheboygan.

SMITHSON PITCHING STAR

Opening day pitching honors were carried off by Smithson of Green Bay, who turned back the M. M. Twins without even a questionable hit. Up until the last man in the eighth, the Bay hurler did not let a foe reach the initial hassock. The other winning hurlers were Braun of Sheboygan; Rush of Menasha and Trentman of Kaukauna.

Schultz, the M. M. slab artist, was the opening day's strike out king as he turned back fourteen of the Lynchemen via the whiff route. Smithson fanned an even dozen.

Among the Eskimos of Boffin Land, there is a shortage of food, the old people of both sexes will willingly face death by starvation. A Briton can speak by telephone to France, Belgium, Switzerland and Holland.

It costs \$130 a week for a staff to beat the carpets and mats in the British Parliament.

Due to an error in composition the item in Slater's adv. of yesterday, advertising socks at \$25 should have read Suits instead of socks.

HIGH SCHOOL GIRLS TO BEGIN BASEBALL TOURNAMENT MONDAY

Four Teams, Representing Each Class, Schedule Six Games For Season

The first of the series of six baseball games to be played by class teams of Appleton high school girls in their annual tournament will take place at 4:10 Monday afternoon. The other games will be played whenever the teams can meet during the next week. Enthusiasm for this tournament is second only to the basketball meet for girls.

Teams have been picked from the gymnasium classes of the freshmen and sophomores and from the baseball enthusiasts of the upper classes which are not required to take gymnasium work. The Senior team will include Lucille Elmer, Loraine Green, Marjorie Kranzhold, Edith Reeve, Frieda Schorpe, Katherine Small, Dorothy Bellings, Ruth Bernhart, Farna Wickert and Sylvia Wheeler.

The Junior team includes Virginia Clements, Jean Cromwell, Dorothy Doyle, Leah Klundt, Irene Maahs, Emily Scheffer, Marie Timm, Evelyn Van Roy, Hazel Wichman, Esther Siegler, Adaline Kranzusch and Virginia Johnson.

Sophomores are Ruth Davis, Mae Eiler, Helen Gillespie, Irene Gruenke, Mildred Hohn, Eileen Landers, Evelyn Meyers, Dorothy Morris, Eva Mossholder, Louise Murphy, Louise Nabbeheld, Elsie Scheffer, Dorothy Stark and Dorothy Small.

The Freshmen are Lydia Becker, Florence Blessman, Mabel Duwell, Helen Gilman, Florence Hitcher, Loraine Hopfensperger, Lorraine Johnson, Margaret Murphy, Evelyn Stark, Regina Winnerman, Helen Winsay, Helen Ziegler and Doris Thompson.

HARGRAVE'S SINGLE BEATS BRAVES, 4-5

Boston—Caveney's triple and Hargrave's single in the sixth gave Cincinnati the run which eventually beat Boston, 4 to 3, on Thursday. McNamara was hit hard and only excellent fielding prevented the visitors from piling up a big score.

Cincinnati..... 0 1 1 1 0 1 0 0—4
Boston..... 1 0 1 1 0 0 0 0—3

Batteries: Rixey and Hargrave; McNamara and O'Neill.

ST. LOUIS WINS

Philadelphia—St. Louis made it three in a row from Philadelphia on Thursday, defeating the locals, 7 to 0. Doak held the Phillies to three scattered hits in seven innings, when Stuart relieved him and kept up the good work. Bottomley hit a home run, a double and a single in five times to the plate, driving in four of the St. Louis tallies.

St. Louis..... 0 1 1 0 1 1 0 0—7
Philadelphia..... 0 0 0 0 0 0 0 0—0

Batteries: Stuart, Doak and McCurdy, Meadows, Head and Henline.

PRIVATE PARTIES AFTER 6 O'CLOCK

REUTER AND GRAEF TO LEAD MEMORIAL DAY CEREMONIES

Officials And Committees Are
Chosen At Meeting Of
Patriot Bodies

Appointment of committees and officials for Memorial day was made at a joint conference of delegated representatives of Appleton's military organizations and patriotic societies Thursday evening in Odd Fellow hall.

The following organizations were represented: George D. Eggleston post, Grand Army of the Republic; Charles O. Baer camp, Spanish-American war veterans; Onev Johnston post, American legion; Company D, Wisconsin National guard; Woman's Relief corps; J. T. Reeve circle, Ladies of the G. A. R.; Woman's Auxiliary, Onev Johnston post; Woman's auxiliary, C. O. Baer camp.

J. D. Hanchett, commander of the local G. A. R. post, was chairman of the meeting, and Capt. George Merkel acted as adjutant.

REUTER PRESIDENT
By a vote of the conference, Mayor Henry Reuter was invited to act as president of the day on Memorial day, and Captain (Dr.) J. A. Holmes was invited to act as chaplain. Major Lothar Graef was named marshal of the day. He will select his own aides. Buglers and firing squads will be selected from Company D and the American legion.

The executive committee consists of J. D. Hanchett and Dr. A. W. Kanouse. Col. William H. Zuehlke will select his own program committee.

The program will in all probability be held in the afternoon, as usual, instead of the forenoon. The proposal of holding it in the morning was, on motion, laid on the table.

Boy scouts, girl scouts and camp fire girls will be invited to march in the Memorial day parade.

The following committees, in addition to those already named, were appointed: Vocal music, Carl McKee; committee on band to act jointly with the common council's committee of Aldermen J. F. Lappen, L. O. Hansen and A. W. Laabs; C. C. Baker, Major Fred Hoffman, R. G. Sykes.

TO DECORATE GRAVES
Committee on decorations: The four women's organizations—Woman's Relief corps, J. T. Reeve circle, ladies of the G. A. R., woman's auxiliary of the Spanish-American war veterans and the woman's auxiliary of the American legion.

Committee to decorate graves in Riverside cemetery: Dennis Meidam, William Buske, Paul Hansen, A. O. Hecht, John Stark, Robert H. Wheeler, Fred R. Morris, Emil Hoffman, Joseph Haseman, Stephen Meidam, Carleton Secker, J. A. Rolfe, Walter Stip and Bonnel Little.

Committee to decorate veterans' graves in St. Joseph cemetery: A. O. Hecht with a detail of the Riverside decorations committee. The committee on decoration for St. Mary cemetery: James McCabe, Dr. William J. Farley and Thomas Morrissey. Committee to decorate veterans' graves in county cemetery: Frank O. Letts, chairman, and other rural carriers, John Preude, Robert Rohm, Joseph Tennie, George Grimmer, A. J. Fetting and Chester Kiesenweber.

Committee on evergreens: Leonard Merkel, Joseph Hassmann and Jacob C. Meyer. Committee on seating and ushers: Capt. Ivaux Miller and aides from Company D. Committee on wires and rings for wreaths: Dr. A. W. Kanouse and Dennis Meidam.

Committee on transportation: Edgar P. Schommer, J. D. Hanchett, L. Hugo Keller, Karl Mory, Harrison Fisher, John Haug, John Voge, James Balliet, F. P. Wettengel and George Wettengel.

NEENAH MAN GRANTED DIVORCE FROM HIS WIFE

A divorce was granted by Judge Beglinger of Oshkosh to Conrad G. Schmid, Neenah cigar manufacturer, from his wife, Louise B. Schmid, on his allegations of cruel and inhuman treatment. The case was not contested and the property was divided by stipulation. Mr. Schmid was granted custody of the couple's 14-year-old son. Mr. and Mrs. Schmid were married at Hortonville on June 11, 1906.

NOTICE TO CONTRACTORS

Proposal for a parochial school building for the Trinity Ev. Luth. congregation of Kaukauna, Wisconsin. Bids close May 29, 1923.

Sealed proposals will be received on or before seven o'clock p. m. May 29, 1923 by the chairman of the Building Committee, Mr. Fred Konrad, 306 Sixth street, Kaukauna, Wisconsin, for the construction of parochial school building, according to plans and specifications.

Each proposal must be accompanied by a certified check or an approved bid bond, payable to Mr. Fred Konrad, chairman Bldg. Committee, in the sum of 5% of amount of bid as a guaranty, the same to be returned to unsuccessful bidders immediately on the letting of the contract.

The right is reserved to accept any or reject any or all proposals. Plans on file with chairman of building committee, Mr. Fred Konrad, 306 Sixth street, Kaukauna, Wis. and at Builder's and Trader's Exchange, Milwaukee, Wis.

Prospective bidders may have the use of plans and specifications for the preparation of their proposal on application to chairman of building committee and placing a deposit of \$10.00 which will be returned on receipt of plans and specifications. Signed:

Trinity Ev. Luth. Congregation, Building Committee.
Mr. Fred Konrad, chairman.

Appleton's Heart Is Melting Too Slowly For Patriotic City

Appleton's heart is melting, but the process is more gradual than should be true of a city where patriotism was so marked during the war. Eighteen dollars was received for the American Legion's graves endowment fund Wednesday, bringing the total to \$68.50. This is far from the goal of \$200 which the Post-Crescent has offered to obtain.

Not only is this progress too slow for the worth of the cause, but Memorial day is drawing near, leaving but little time for \$100 of this fund to reach overseas authorities for the first decoration of soldiers' graves under a perpetual endowment plan undertaken by the legion. It is surprising that Appleton can raise hundreds of thousands of dollars for worthy projects, but holds back on a fund of \$200, which means an average of one cent per person. It must be that people think the quota will be raised with an easy sweep that need not include them, but ten days of effort by the Post-Crescent have proved that too many cherish the same belief. YOU perhaps are the one who is helping to defeat this project.

If you ask why Appleton should give money to this cause, here is something to consider. Six or eight of Appleton's brave boys in the famous Rainbow division lie buried in French cemeteries today. Bodies of others have been conveyed to Appleton and are buried here, some in the American Legion's burial plot. Can it be that the people here do not think it worth \$100 to assure decoration of the overseas graves for all time, and that \$100 is too much for the Legion to use at home for this purpose? It can't be, and Onev Johnston post of the American Legion does not believe it will be.

The Post-Crescent wants to turn over \$200 to the state local legion departments this week. Let us be able to say 24 hours from now that Appleton has not forgotten the service boys rendered us in the World war, and that the dead will be remembered as have the living. Make checks payable to the Legion Graves Fund and address letters likewise, in care of Post-Crescent.

Contributions have been made to date by the following:
P. S. Bradford.
William M. Mueller.
Mrs. J. Beecher.
H. C. Freeman.
Charles L. Marston.
James H. Balliet.

BUILDING PERMITS

Work authorized by the issuing of seven building permits Thursday will entail an expense of approximately \$9,025. The largest item of expense is a sun parlor to be built at the home of Dr. E. H. Brooks. The 208 permits issued to date are for work costing \$357,714. Following are the permits for Thursday:

Paul Abendroth, 830 Superior-st. addition to garage.
Oscar Meyer, DeForest-ave. house.
Dr. E. H. Brooks, 700 Union-st. sun parlor.
Mrs. H. C. Hanson, 654 Locust-st. barn addition.
Joseph Ulmen, 910 Perry-st. garage.
Merrill Hatch, 813 Clark-st. move house.
John Hintz, 1083 Appleton-st. garage.

Mrs. Starr Tells of Her
Experience With
Tanlac

MRS. L. E. STARR

Mrs. Lillie E. Starr, residing near Lenexa, Kansas, is another of the thousands who have learned the value of Tanlac as a "spring tonic." "This spring," said Mrs. Starr, "I felt that I needed a tonic, for my appetite had lost its usual keenness, indigestion was giving me a great deal of trouble, and if I ventured out on a shopping trip, or at any other exertion, I soon found myself fagged out. I could rest but little day or night for nervousness and pains."

"Well, Tanlac got me to eating again, built me up ten pounds in weight and now I feel so healthy and happy I go about my work singing. I will always have a warm corner in my heart for Tanlac."

Tanlac is for sale by all good druggists. Accept no substitute. Over 27 million bottles sold.

Tanlac Vegetable Pills are Nature's own remedy for constipation. For sale everywhere.

PUBLIC WEDDING SALE ATTRACTION

Menasha Merchants Arranging
Big Program For Co-
operative Sale

Menasha merchants at a meeting in Smith library Thursday evening outlined definite plans for the community sale and gala day which will be held on May 26. Practically all of the

merchants are cooperating in offering bargains held to the shoppers and an elaborate program of entertainment is being prepared to bring visitors to the city.

One of the outstanding features will be a public wedding in Menasha triangle in the evening. A couple, whose names have not been revealed, has agreed to be wed with the great crowd looking on. A pavement dance will follow the ceremony.

Music will be furnished afternoon and evening by a band. Cash prizes aggregating \$200 will be offered to shoppers and in addition there will be gifts of money and merchandise to the newlyweds.

ADD HUGE BOILER AT TELULAH MILL

Fox River Company's Improvements Are Adding To Production

In line with the various improvements that are being made constantly in the Fox River Paper Company mills, is the addition of a 500 horse power Wickes boiler which will be installed in the Telulah mill shortly.

The cost of installation will be approximately \$15,000. Addition of this boiler will mean greatly increased converting power and will make possible the production of a much higher grade paper.

Last fall a 750 kilowatt turbine engine was installed in the Telulah mill at an expense of \$25,000. This also added to quality of the products. The installation of the boiler and turbine as well as the general rebuilding and remodeling that has taken place in the mill since it was taken over from the Kimberly-Cark company in 1920 is making the Telulah mill one of the finest rag writing paper mills in the country.

ON THE SCREEN

"MAN WITHOUT A COUNTRY"

APPEALS TO ALL CLASSES

The Motion Picture News, one of the largest motion picture publications, has the following to say about "The Man Without a Country."

"The Man Without a Country," which comes to the Elite theater May 14 under the auspices of the Oney Johnston Post. "Such a production as 'The Man Without a Country' deserves presentation in the best of houses, for no situation of it strikes a false note. Its historic interest is great. The feud developed to such serious proportions that it culminated in the famous duel in which the brilliant statesman lost his life is pictured with all accuracy. It is one of the most dramatic of the many dramatic passages in the history of our country, and its handling here is truly great. Duncan MacRae's interpretation of Hamilton is convincingly stately and human, and Charles Graham's playing as Burr is of the same high order. But the acting of Arnold Daly, the star, is perhaps the outstanding feature of the picture. His characterization of Philip Nolan, who in his exile grows to love his forbidden country more with each day, is one of the finest pieces of acting contributed to the screen.

KATHERINE McDONALD HAS THRILLING PLAY IN "THE WOMAN CONQUERS"

Whether one likes good acting, scenes of pictorial beauty or thrills and action, there is much that will please in "The Woman Conquers," the first National attraction in which Katherine MacDonald opened a two days run today at the Elite theater.

"The Woman Conquers" is the story of Ninon LeCompte, a young social leader of New York who is thoroughly bored by the frivolities and dissipation of her friends. In her long life to get away from that life she yearns for the primitive. Then her uncle dies and leaves her large fur in the Hudson Bay country. When Ninon arrives there she finds that her uncle's partner, Lazar, a half-breed, has been trying to steal the estate from her.

The struggle between the refined girl and the brutal backwoodsman forms the basis of highly dramatic, exciting and one liberally dotted with exciting incidents. Ninon's struggle to take Van Cort, her society suitor, to safety by dog team through a terrific blizzard is thrilling enough to take one's breath away.

The cast is one that earns special attention. Beautiful Katherine MacDonald has never before had a part which called for so much real effort. She reveals great power as an emotional actress.

In the supporting cast are such stars as Bryant Washburn, Mitchell Lewis, and June Elvidge. Each of them has a role worthy of so distinguished an interpreter. Players like these would make any photoplay worth while. In this case each one has plenty to do and this feature is a feast for film fans.

The company includes Charles Selwyn, Boris Karloff and Francis McDonald, not to forget an Indian man about two years old whose brief appearance scores in a lighter vein.

At the Elite today and tomorrow.

MAPLE VIEW PAVILION

First appearance of the Full Gib Horst Orchestra of ten pieces (Instrumentation). Piano, Bass Violin, Banjo, two Saxophones, two Cornets, Trombone, Xylophones and Drums. Sunday, May 13. Bus leaves Pettibone's at eight and nine.

Pays Big Fine

"I always thought if the doctors couldn't help my stomach and liver trouble, nobody else could. It has cost me nine hundred dollars and I have paid my fine. It remained for May's Wonderful Remedy to do the trick. I have been in the best of health since taking it more than a year ago." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. For sale at all druggists. adv.

Upward Swing Of Prices Can't Last Beyond 1924; Production Too Swift

Commodity Prices Are High Enough, Babson Says—Buyers Are Hesitating To Stock Up On Expensive Merchandise

Wellesley Hills, Mass.—The radical recovery of commodity prices from August, 1921 to date, has brought general business a more average and is the foundation for the reasoning of a good many who have predicted increasing prices through 1923. Therefore, Roger W. Babson's statement on the situation, issued Friday is of unusual interest.

"There have been five major movements in commodity prices since the beginning of the World war," says Mr. Babson. "First, we had a great rise from early 1915 to the peak in August 1918. Immediately at the close of the war prices suffered a sentimental decline. Then postwar inflation caused a steady rise from the spring of 1919 to the middle of 1920. As depression set in the year began a general decline in prices, which carried us over the middle of 1920 to the low of August, 1921. The fifth phase of the movement has been a 19 month's rise during which time prices have climbed over 30 per cent—an abnormal development."

"The reasons for this recent upswing give us some indication as to its probable development. It was caused by an increase in physical production, and has continued until today it is above the normal growth line. Total volume of business has increased until it is also slightly above normal. Monetary conditions have been and are very good with large volume of circulation, strong volume of federal reserve statistics, good turnover, and sound credit conditions.

"A shortage of transportation has stimulated buying. Wages have in-

creased substantially. Purchasing power of the industrial community has been reflected in better business. Even the farmer, who was hard hit has gradually climbed out of his financial chaos. The upward trend of the stock market and new construction figures add more arguments on the bullish side of the ledger.

"The present technical position of the commodity market, however, is very similar to that of 1920. Production has reached a point where we cannot hope to consume at such a rate indefinitely. Many commodities are being made so fast that they must of necessity pile up surplus stocks by 1924. The present administration is also adverse to further inflation. Car shortage has been reduced to one third of what it was and more favorable weather conditions and seasonal changes in business cannot help but clear up the traffic situation.

"Since the present market is being adequately supplied there is little justification that increasing prices of commodities can last continue. The cost of living fundamentally is still too high and is destined during the next few years to recede to a lower level. European conditions are still unfavorable, and until a constructive program is announced we cannot reasonably expect a further radical stimulation of business.

"The growing reluctance on the part of the buyer to stock up on high priced merchandise is an indication of the end of the upward rise by 1924 at the latest. The underlying structure is probably strong enough to justify moderate advance in some lines and a high average commodity price level for some months longer; but it is probable that prices by or before 1924 will turn for a reaction. As the advance slows up and transportation difficulties are solved, buying will ease off and general business should fall back to a level

OSHKOSH CITIZENS WANT CHEAPER GAS RATE

By Associated Press

Oshkosh—As the result of a conference Thursday between city officials and representatives of the Wisconsin Public Service corporation of Oshkosh, furnishing this city with gas and electricity, the public utility agreed to give the city a voluntary reduction in the monthly rates for gas that will prove a substantial saving for consumers of gas. This reduction, if accepted, will go into effect June 1 and will go into the July bills to consumers. It means

gas will be cheaper by from 10 to 20 cents a thousand feet, net.

The agreement came following an announcement by the city that it would initiate a movement for cheaper gas and if the company refused to cut the rate, would take the matter before the state railroad commission. The city has already taken steps to apply for a reduction on rates for water furnished by the municipal plant and for improvements at the pumping station to reduce the fire risk.

No manufacturers of tobacco are located in British or French West Africa, and the entire consumption consists of unmanufactured leaf.

Three meatless days a week have been declared by the Greek government.

SAYS AMERICANS STILL DRINK

London—During the discussion in the house of commons of Lady Astor's temperance bill, W. A. Jenkins said

that Americans were divided into two classes, those who "still had a little" and those who "had a little still."

A church built in 1596, at Horn-higham, near Warrminster, is claimed to be the oldest Congregational church in England.

to buy a
KELLY**

THERE is little to say about a tire that tire advertisements have not already said.

After all, it's performance, not promises, that counts. On thousands of cars Kelly Cords are telling their own story, and telling it more convincingly than any advertisement could because they speak in terms of mileage, service and safety.

For sale wherever you see this sign

gas will be cheaper by from 10 to 20 cents a thousand feet, net.

**For Real Service
Buy Red Crown
The High-Grade Gasoline**

Gasoline Service is expressed in terms of mileage. When you buy 10 gallons of gasoline, in reality you are buying 150 miles of service, if you get 15 miles to the gallon.

Gasoline becomes a propelling force only when you cause it to vaporize and mix it with air.

The service which you receive is in exact ratio to the manner in which the gasoline vaporizes. Red Crown vaporizes to the last drop.

That's why there is no waste. Red Crown has a Perfect Chain of boiling Point Fractions, adjusted so as to vaporize at just the correct temperature to produce instant starting Winter or Summer—a quick pickup—smooth acceleration—tremendous sustained pulling power—racing speed if you want it and a maximum of mileage.

All of which is summed up in two words, "Real Service".

**Use
SOLITE
The Perfect Gasoline**

for real service from a light gasoline. It drives the pistons the full stroke under power. It completely satisfies the man who wants a little quicker action and is willing to pay for it.

BEGIN DETOURING AS ROAD BUILDING STARTS FOR YEAR

Detour Necessary Between Fremont And Weyauwega, Journal Says

By Associated Press
Milwaukee—The storm of the early part of the week, although severe for this time of the year did not affect road conditions in Wisconsin, according to the Milwaukee Journal's tour department.

Highway 17 to Manitowish has two detours both being marked and will cause no trouble.

Highway 55, between Kewaskum and Eden is under construction the detour being over county trunk V, which is in good condition.

On the 15-55-18-12-16-11-12 combination to St. Paul a detour will be found between Fremont and Weyauwega, a spot around Owen and one between Menomonie and Baldwin.

Highway 23 out of Fond du Lac has a detour at Rosendale.

Highway 29 from the Dodge-co line west is closed and the detour provided is poor.

Highway 19 still is open in Madison although it is expected to be closed in three places almost any day, after which it will be necessary to detour on to county trunk B-26-41-12 to Madison.

Highway 41 is under construction and is very poor.

The roads in the southeastern section are in fairly good condition with construction work started in places. In these cases detours are provided.

TRADES FARM FOR ONE NEARER TO APPLETON

Isaac—Barney Flanagan has traded his farm here with Ed. Loewenhausen, who resided near Appleton. The deal was made by P. F. Dolan, Green Bay.

A farewell party was given at the Flanagan home Sunday evening. Dancing was enjoyed. The guests included Mr. and Mrs. Nick Gonnering and family of Freedom, Mr. and Mrs. Ed. Pendergast and children, Mr. and Mrs. John Weber and daughter Maxcella of Five Corners, Ida. Aloysius, Frances and Clarence Hooyman, Mabel Kiefer, Florence Romanesko and Clarence Rickert, Mr. and Mrs. Walter Roache of Freedom.

Miss Nellie McDermitt and A. L. Collar, supervising teachers, visited schools here the past week.

Mr. and Mrs. Mike Meyers and children and Miss Clara Worsch are at Two Rivers.

Miss Edna Snell was in Appleton on business Monday evening.

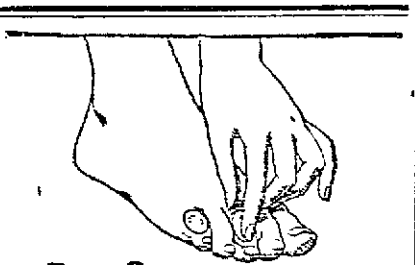

BEES NEED CARE IN BROOD PERIOD

L. P. Whitehead Warns Apiarists Of Danger Of Loss In Early Spring

"Lack of protection from cold weather is causing Wisconsin bee-keepers to lose thousands of dollars annually," says L. P. Whitehead of the economic entomology department of the University of Wisconsin.

"Those securing the largest yield of honey, give their bees protection from the cold weather, not only during the winter but during the first part of the brood rearing period in May."

"The queen, the mother of the whole colony, starts laying eggs about April 1, gradually laying more as the colony grows stronger and the cold rainy days become warmer bees feed this large from each egg in three days. The worker bees feed this grub, large amounts of food which they have prepared from honey and pollen and eighteen days later it comes out of the cell a fully developed worker bee. To develop these eggs and grubs need a temperature of about ninety-three degrees. The heat which causes this mid-summer temperature is produced by the worker bees fanning their wings and moving about over the combs. The life of a worker bee is limited by the amount of work he does, so the less work it has

Safe instant relief from CORNS

Our miracle—and the pain of that corn and that's what Dr. Scholl's Zino-pads do—safely. They remove the cause—irritation—pressure, and heal the irritation. Thus you avoid infection from cutting your corns or using corrosive acids. Taint, antiseptic, waterproof. Suits for corns, callouses, bunions. Get a box today at your druggist's or shoe dealer's.

Dr. Scholl's Zino-pads

Made in the laboratories of The Scholl Mfg. Co., makers of Dr. Scholl's Foot Comforts, Splinters, Arch Supports, etc.

Put one on—the pain is gone!

to do in producing heat the longer it lives. Bees well protected during the early spring do not work so hard in keeping up this high temperature. This lengthens the life of the bees and at the same time they are able to care for more brood. This makes more bees in the colony later in the season when the main honey flow starts.

"By locating the bee yard on the south side of a windbreak such as a hill, grove of trees or high board fence, the bees will be sheltered from the cold northwest winds which blow so strong in the spring. The hives should face the south and be in the direct rays of the sun during most of the day," he advises.

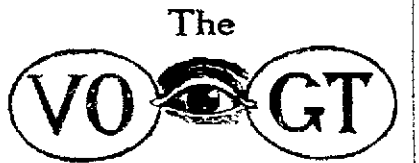

"For the best results all colonies should have some outside covering or packing during April and May. Bees wintered outdoors in packing cases are well protected if left in the cases until the latter part of May. Cellar-wintered bees should be placed out of doors. Protected colonies when provided with plenty of honey or sugar syrup for food increase their strength rapidly."

From the date of the armistice until the beginning of the present year approximately 400 British soldiers on the Rhine married German women. The cost of gathering waste paper and refuse deposited by visitors in London parks is \$2000 a month in summer and \$450 a month in winter.

SINGING FOR BOYS IS DISCUSSED BY BAKER

"The Preservation of the Boy Voice" was the subject which Dr. Earl L. Baker of Lawrence Conservatory of Music presented at the meeting of the Wisconsin Music Teachers association on Thursday in Oshkosh. He illustrated his methods with a group of boys from the Lincoln school, who sang several selections. Miss Irene Bidwell, music supervisor of the Second district, also attended the convention.

Bakers Bake It For You

Eat More Wheat
—no need to bake at home

HERE'S your old-time favorite —full-fruited raisin bread with at least eight tempting raisins to the slice—already baked for you by master bakers in your city.

Simply 'phone your grocer or a neighborhood bake shop and have a fresh loaf for lunch or dinner to delight your folks.

We've arranged with bakers in almost every town and city to bake this full-fruited raisin bread.

Made with big, plump, tender seeded

raisins. The raisin flavor permeates the bread. You've never tasted finer food. Order a loaf now and count the raisins.

Raisin bread is a rare combination of nutritious cereal and fruit—both good and good for you. Serve at least twice weekly to get the benefits.

Use Sun-Maid for home cooking of puddings, cakes, cookies, etc.

You may be offered other brands that you know less well than Sun-Maids, but the kind you want is the kind you know is good. Insist, therefore, on Sun-Maid brand. They cost no more than ordinary raisins.

Mail coupon for free book of tested "Sun-Maid Recipes."

Sun-Maid Raisins

The Supreme Bread Raisin

Sun-Maid Raisins are grown and packed in California by Sun-Maid Raisin Growers, a cooperative organization comprising 14,000 grower members.

CARNIVAL PATRON HAS CAR STRIPPED

Parking near carnival grounds is accompanied with hazards as was proven Wednesday evening in the case of Emil Wanda of Neenah, whose car was parked on Calumet-st. near Lake-st. When he returned from the carnival, he found that his car had been stripped of all tires as well as a robe and several automobile accessories.

Pipe Overheated
An overheated smoke pipe in the Gochnauer Cement works, 538 Mead-st., caused a small fire at 10:25 Thursday evening, but produced no disastrous results. The fire apparatus returned almost immediately.

Due to an error in composition the item in Slater's adv. of yesterday, advertising socks at \$25 should have read Suits instead of socks.

Place All Rubbish From Cleanup In Containers

City Engineer Gives Suggestions For Preparation Of Loads

One week of Appleton's annual cleanup period has now elapsed, and already piles of rubbish are stationed at the curbs in front of many residences.

Prying youngsters have aroused the anger of some of the residents by trying to salvage some of the refuse placed in the various forms of containers. As a result, some lawns and terraces were required to be put to bed with the rubbish.

Instructions given out by Oscar F. Weissgerber, city street commissioner, as to method of cleanup and deposit of rubbish at curbs for hauling, have not been carried out accurately

in every case. But it is not too late to correct misunderstandings, as the city wagons will not start until Wednesday, May 16, to haul the trash away.

Ashe's will not be hauled from the curbs unless placed in containers, according to Mr. Weissgerber. Barrels, boxes, cartons, pails, or other containers may be used. Care should be taken not to overload the containers lest the contents be dropped all about the street and terrace.

The latter warning refers especially to the handling of bottles and other glass articles which, if piled loosely on top of overfilled containers, may fall on the street and break. If left on the street the glass particles will cause much damage to automobile tires.

All persons who have piled ashes or other rubbish on the streets without placing them in containers have been notified by the street commissioner to

CITY SOON WILL BE FREE FROM CONTAGION

While other cities are being visited with epidemics of one disease or another, Appleton has but one case of scarlet fever and but one of diphtheria. Both of these are about to be released. There are no cases of measles reported to the health physician but Neenah has approximately 30 cases and every precaution is being taken there to prevent the disease from spreading to other children in the schools.

HOSPITAL DAY NOT TO BE OBSERVED HERE

National hospital day is being celebrated in many cities on Saturday when the hospitals are thrown open to the public for inspection. No plans are being made this year at St. Elizabeth hospital because its visiting days will be held when the new building is opened.

have the refuse removed before May 15, when the cleanup period is at an end.

enced for inspection. In many places where hospitals conduct nurses' training schools, the graduation exercises are held on that day.

HOME REMEDIES OF OUR ANCESTORS

Almost every man and woman in America can remember the botanic recipes of our mothers and grandmothers for the treatment of disease, and they were wonderfully dependable too. Every fall there were stored away in the attic thoroughwort, pennyroyal, camphor, sage, wormwood, rue, etc., for treating ills of the family during the winter months that followed. In 1873, Lydia E. Pinkham's Vegetable Compound was first prepared from one of these botanic recipes, and the demand for it has increased to such an extent that hundreds of tons of roots and herbs are now used annually in its preparation. It has recently been proved that 98 out of every 100 women who try it have been benefited by its use, which is a marvelous record for any medicine to hold.

Electric Curling Irons \$1.50 Quality-ONLY 98c

A SALE of improved electric curling irons—guaranteed against electrical and mechanical defects for one year. These curling irons heat quickly and evenly—positively will not overheat.

They are economical to operate for they retain the heat longer than any other similar curler made. The IMPROVED curler is so efficient that the current can be disconnected and a number of curls or waves made without reheating.

These curling irons can also be used as wavers. No other curling iron can be handled with such ease and safety. A special offering at ONLY 98c.

We Found More Extra Values in Fine Hats for Saturday

Bringing Fresh New Collections of
Distinctive Summer Hats at our
Extraordinarily Low Price Range.

A Special Mothers' Day Sale

of Beautiful Matronly
Hats - - - Only

\$5.

One day of each year is set aside in honor to Mothers. Young mothers and older mothers should look their best on this day of their's. A new hat for Mother is very appropriate.

*Especially Smart Summer
Models in Navy, Brown, Black*

These matronly models are made of fine hair braid or hemp straw. The hair braid hats are often trimmed with glycerined ostrich—the hemp with flowers. Small shapes, smart tricornes, and cleverly styled medium sized hats are shown. The color range includes navy, brown, purple, sand and black.

*Styles that are Becoming
for Mothers of any Age*

The range of styles includes hats for every type. Some depend on restrained trimmings, with perhaps a smart note given by a jet ornament. Others are trimmed with lovely summer flowers. There are hats here for every Mother—a great range of styles and colors—all at the one SPECIAL PRICE of only \$5.
